A Go-Between home loan offers you an easy way to purchase a new home before you sell your existing one. Rather than making two sets of loan repayments while you are in the process of selling your existing home, a Go-Between home loan requires no repayments on the new loan during the Go-Between period.

Product overview	
Loan Purpose	A way of purchasing a new home before selling your existing one
Eligibility	Eligibility as per the home loan product chosen (SmartFit and SmartFix home loan options available)

  

Key benefits	
Interest rate options	<b>A choice between variable and fixed rate options:</b> <ul style="list-style-type: none"><li>• A SmartFit owner occupied or investment variable rate</li><li>• A SmartFix owner occupied or investment fixed rate</li></ul>
100% offset	All Go-Between home loans include 100% offset accounts
Repayments required	No repayments on the new loan are required in the Go-Between period
One product	The same home loan product applies during and after the bridging period
No rate loading	No rate loading during the bridging period

Product specifics	
<b>Go-Between period</b>	<ul style="list-style-type: none"> <li>• Minimum of 4 weeks between purchase settlement and sale settlement</li> <li>• Up to 6 months of interest capitalisation available</li> </ul>
<b>Loan to value ratio (LVR)</b>	<p><b>Combined loans cannot exceed 80% of the combined value of the new and existing properties, after taking into account the interest that will be charged on the new loan during the Go-Between period. The maximum LVR for Go-Between loans where Interest Only is sought on the 'End Debt' is subject to the new standard limit of 80%.</b></p> <p>Assessment is based on the repayment that will be required once the existing home is sold. The repayment amount will be based on the end of:</p> <ul style="list-style-type: none"> <li>• The loan required to purchase the new home; plus</li> <li>• Interest that accumulated on the new loan during the Go-Between period; less</li> <li>• The agreed amount by which the new loan can be reduced upon the sale of the existing property.</li> </ul>
<b>Process once existing home is sold</b>	<p><b>Once the existing home is sold, the funds must first be used to pay out the existing home loan. Then sufficient funds must be paid into the Go-Between loan, so that the loan reduces to the amount specified in the Go-Between loan contract.</b></p>
<b>Process if existing home does not sell within Go-Between period</b>	<p><b>If the existing home has not been sold once the Go-Between period ends, repayments will be required on the new home loan in addition to repayments on the existing home loan.</b></p>
<b>Existing home with another Financial Institution</b>	<p><b>If your existing home loan is with another financial institution, the loan will need to be refinanced to Adelaide Bank during the settlement of the Go-Between loan.</b></p>
