- 2. Identification**
- 2.1 We need to obtain identification information as required by law, including Know Your Customer requirements under anti-money laundering and counter-terrorism financing legislation for all required parties. This will include information such as, for an individual, name, residential address and date of birth. Where the customer is a trust, details of the Trustee and beneficiaries may be required. Our staff will advise you what items of identification are acceptable. We may also require other information such as information about beneficial owner(s), and information about your activities and reason for opening an account in Australia.
- 2.2 If you are unable to visit a branch or provide identification in another manner acceptable to us, there is also a certifier method of identification available. We can supply you with a special form, which must be signed by an acceptable certifier.
- 2.3 An acceptable certifier includes a solicitor and Justice of the Peace. Please contact us for a complete list of all acceptable certifiers. You will be required to show identification such as your driver licence, passport, birth certificate or citizenship certificate to the acceptable certifier. For acceptable certifiers overseas, please contact us for details.

- 2.4 There are special provisions for people under the age of six years and Aboriginal and Torres Strait Islander Peoples in isolated areas.

Verification

- 2.5 We may, and you consent to us doing so, seek verification of your identification and identification documents from independent sources and/or third-party service providers.
- 2.6 We will keep copies of all documents provided by you and will disclose or provide copies of your identification documents to third party bodies as required by law.
- 2.7 We may request, and you must provide, further documentary evidence of your identity as we deem necessary to confirm your identity.
- 2.8 We may request that you produce, and you must provide in person if necessary, the original and/or certified true copies of all documentary evidence confirming your identity.

Inability to confirm identity

- 2.9 In the event that we are unable to properly confirm your identity, we may at our sole discretion, reject your application, suspend the operation of your account, refuse transactions and/or place a freeze on your funds until such time as your identity can be confirmed.

Additional Information

- 2.10 Acting reasonably, we may request, and you must provide, any other additional information we deem necessary in relation to your identity, personal affairs, business dealings and/or the purpose of your relationship with us. In the event you refuse or fail to provide us with information we have reasonably requested, we may at our sole discretion, reject your application, suspend the operation of your account, refuse transactions and/or place a freeze on your funds until such time as the information is provided.
- 2.11 You provide us with the following undertakings:
- (a) you will not initiate, engage in or effect a transaction that may be in breach of Australian law or sanctions (or the law or sanctions of any other country); and
 - (b) the underlying activity/product for which Internet Banking is being provided does not breach any Australian law or sanctions (or the law or sanctions of any other country).
- 2.12 More information is available from the Australian Transaction Reports and Analysis Centre (AUSTRAC) 1800 021 037 or 1300 236 344.

3. Payment Facilities

Depending on the type of account you hold with us, you may be able to gain access to one or more payment facilities. The payment facilities that are currently available with each type of account are set out in the Key Features Tables starting on page 4. Payment facilities are provided for the purpose of sending or receiving funds for the provision or procurement of goods and/or services.

4. Deposits and Withdrawals

- 4.1 You may make deposits to your account in a number of ways including:
- (a) at any of our branches by using a teller or one of our express deposit boxes;
 - (b) by mail;
 - (c) by arranging an automatic deposit of your salary or other income or amounts to be paid directly into your account;
 - (d) if your account is linked to a card, at any Bendigo Bank ATM which accepts deposits or at a Post Office using Bank@Post™ (where available and subject to restrictions, see clause 40.5);
 - (e) if you have access to Bendigo Phone Banking or Bendigo e-banking, by transferring funds electronically using these facilities;
 - (f) by arranging an electronic credit from another Bendigo Bank account;
 - (g) by arranging an electronic credit from another financial institution.

Some of the methods for deposits may not be accessible by you when you are not in Australia.

- 4.2 The proceeds of a deposit may not be available for up to seven business days after the deposit is made. It will usually take three business days for a cheque to clear. If we allow you to draw on a cheque before it has cleared, you will be liable for the amount of the cheque if it is subsequently dishonoured and you authorise us to debit the amount of the cheque plus applicable bank charges to your account.
- 4.3 We may not accept any cheque that is not payable to you whether the cheque has been endorsed in your favour or not.

Bank@Post™ and its device mark are trademarks (registered or otherwise) of Australian Postal Corporation. All rights reserved.

Deposits made using an ATM

- 4.4 When you make a deposit to your account at one of our ATMs, two bank officers open the ATM the next business day and compare the amount you placed in the envelope with the amount you entered in the ATM. If there is a difference between these two amounts, we will accept the amount in the envelope as the amount deposited and advise you in writing of the difference and the actual amount which has been credited to your account.

- 4.5 We will not accept coins for deposit.
- 4.6 A deposit at an ATM is at your risk until the deposit is completed in accordance with the procedures indicated by the ATM.

Withdrawals

- 4.7 You may make withdrawals from your account in a number of ways including:
- (a) at any of our branches;
 - (b) if your account is linked to a card:
 - at any ATM;
 - via EFTPOS terminals;
 - at a Post Office using Bank@Post™ (where available and subject to restrictions, see clause 40.5);
 - (c) if you have access to Bendigo Phone Banking, by transferring funds electronically using BPAY;
 - (d) if you have access to Bendigo e-banking, by transferring funds electronically using:
 - BPAY
 - Pay Anyone
 - Telegraphic Transfers
 - (e) using an Automatic Payment;
 - (f) by bank cheque.

Some of the above methods for withdrawals may not be accessible by you when you are not in Australia.

- 4.8 Acting reasonably, we can at our discretion impose a limit on the amount you can withdraw in cash from your account at a branch, from an ATM or via an EFTPOS terminal.
- Cash out limit – Our current maximum daily cash out default limit for transactions conducted at an ATM or EFTPOS terminal and using a PIN is \$1000. This amount may be varied for customers upon application and approval.
- Purchase limit - Our current maximum daily purchase limit for transactions conducted at an EFTPOS terminal and using a PIN is the available balance of your account.
- We may vary the default amount of these limits or any other limit we impose from time to time. We may also limit the way in which money is dispensed. For example, if you want to withdraw \$400 (and that amount is not in excess of the maximum daily withdrawal limit), the ATM may not pay out on that amount in one transaction. You may receive \$300 and then make another withdrawal of \$100 as a separate transaction.
- Our right to make these changes is subject to the conditions in clause 18.

- 4.9 You should ensure that the purchase amount is correct on any electronic equipment you use when you perform a transaction.
- 4.10 EFTPOS outlets may have other restrictions on the amount of cash that can be withdrawn. Merchant or other institutions may impose additional restrictions on the use of your card or PIN. The Post Office may impose restrictions on the use of Bank@Post™.
- 4.11 We may not allow a withdrawal unless we have proof of your identity that is satisfactory to us.
- 4.12 You authorise us to debit to your account with all withdrawals you or an authorised signatory make from that account (unless the authorised signatory is an authorised user who can only access, but not operate, your account).
- 4.13 Some transactions require authorisation from us. Acting reasonably, we may choose not to authorise a proposed transaction. For example, if your card had been reported lost or stolen.
- 4.14 Contactless transactions are subject to separate transaction limits. These limits are imposed by us and the financial institution responsible for the EFTPOS terminal.

5. Interest

- 5.1 We pay interest on your account as per our Schedule of interest rates for Personal Accounts. See clause 5.6 below regarding a Bendigo Reward Saver Account. See clauses 5.7 to 5.14 below regarding an offset facility on a Bendigo Everyday Account.

Interest Rates

- 5.2 The type of account you have will determine the type of interest. Some accounts have tiered interest and some have stepped interest (in which case more than one interest rate may apply) and others have a single rate of interest that applies irrespective of the balance of your account. Please refer to the Key Features Tables starting on page 4 to find out what type of interest your account has.
- 5.3 We may change the interest rate from time to time at our discretion. This means that the interest rate may increase or decrease. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law. Our right to make these changes is subject to the conditions in clause 18.
- 5.4 Our current interest rates are set out in the Schedule of interest rates for Personal Accounts. You can find out our current interest rates at any time by contacting one of our branches, phoning 1300 236 344 or by visiting our website www.bendigobank.com.au

Calculation and Crediting of Interest

- 5.5 We calculate interest by applying the daily percentage rate to the balance of your account (or, if it is stepped interest, to the relevant part of your balance) at the end of each day. The daily percentage rate is the relevant interest rate divided by 365, or in a leap year, 366.
- 5.6 The type of account you have will determine when interest is credited to your account. The Key Features Tables starting on page 4 set out when interest is credited.
- For the Bendigo Reward Saver Account, where you have not met the Bonus Rate eligibility criteria for the month, the Base Rate will still apply (except in the case of the month in which the account opened). The Bonus Rate eligibility criteria is outlined in clause 1.9. Your Base or Bonus interest will be credited to your account by the end of the second day of the month.

Bendigo Everyday Account with offset facility

- 5.7 An offset facility is only available on a Bendigo Everyday Account and must be linked to a principal and interest or interest only residentially secured loan with us. For Bendigo Complete Home Loan a Bendigo Everyday Account linked to a loan must be in the same customer number / name as the loan account. For example, a joint loan in the name of X & Y must only be linked to a Bendigo Everyday Account in the name of X & Y. For all other loan accounts all parties to your Bendigo Everyday Account must be parties to the linked loan account. For example, a joint loan in the name of X & Y may be linked to a Bendigo Everyday Account in the name of X, in the name of Y or a joint account in the name of X & Y. A joint Bendigo Everyday Account in the name of X & Z cannot be linked to the loan, as Z is not a party to the loan.
- 5.8 Your account may be linked to only one loan at any particular time. You may change the loan to which your account is linked at any time, provided the alternative loan complies with the terms and conditions outlined above, upon written notification to us.
- 5.9 The daily balance (defined below) in your account will be used to offset your linked loan account for the purpose of calculating the interest payable on your linked loan account. Interest on your linked loan account will be calculated at a discounted rate on the amount equal to the daily balance held in your Bendigo Everyday Account. The Bendigo Complete Home Loan and Bendigo Flex Home Loan offers a full offset on both variable and fixed rate loans. All other home loan accounts offer full offset on variable rate loans and a partial offset on fixed rate loans. Details of the discounted rates can be obtained by asking at any Bendigo Bank branch, online at www.bendigobank.com.au. Interest on the remaining balance of your linked loan account will

be calculated at the rate that applies to your linked loan account.

- 5.10 The daily balance in your account is the balance at the end of the day. If your account has a debit balance at the end of the day, your balance for that day for offset purposes will be deemed to be zero. If your account has a balance greater than the balance of your linked loan account at the end of the day, your daily balance for that day for offset purposes will be deemed to be equal to the balance of your linked loan account. You will not earn interest on the excess amount.
- 5.11 Subject to the requirements of any law, the discounted rates may change at any time. Our right to make changes is subject to the conditions in clause 18.
- 5.12 Where more than one Bendigo Everyday Account is linked to the one loan account, the daily balance used for offset purposes is that of the combined end of day balances of all of these accounts.
- 5.13 Upon finalisation of the linked loan account, the offset facility on your Bendigo Everyday Account will be removed.
- 5.14 We may at any time combine the balance of your Bendigo Everyday Account and your linked loan account. If we combine your accounts, we will promptly inform you. We need not notify you in advance. Our right to combine accounts is subject to the terms and conditions of your loan account, which may limit when we can combine accounts.

6. Fees and charges

- 6.1 Fees and charges and Government charges may apply to your account and your use of payment facilities. You authorise us to debit these fees and charges and Government charges to your account. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates. You can find out our current fees and charges at any time by contacting one of our branches, phoning 1300 236 344 or by visiting our website www.bendigobank.com.au
- 6.2 We may change the fees and charges from time to time including introducing new fees and charges and Government charges. However, we will not introduce entry fees, exit fees or charges for the management of funds, excluding charges for the maintenance of the account. If the law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law. Our right to make these changes is subject to the conditions in clause 18.
- 6.3 We may at our sole discretion waive any or all fees and charges from time to time, substitute one fee or charge for an alternative fee or charge or impose a lower fee or charge.

7. Transaction Processing

7.1 We may assign any date we reasonably consider appropriate to a debit or credit to your account, except that, in the case of a debit, the date must not be earlier than the date on which the relevant transaction occurs. However, we will credit payments to your account as soon as practicable after we receive them. This is not necessarily the same day that you make the payment. If a payment is received after the end of each day, it may not be processed or reflected in your account until the next business day. We give effect to the debit or credit based upon the date assigned to it by us.

7.2 We may subsequently adjust debits and credits to your account so as to accurately reflect the legal obligations of you and us, for example, because of an error or because a cheque is dishonoured. If we do this, we may make consequential changes, including to interest.

For example: If a payment or deposit is made into your account in error, we may withdraw that payment or deposit from your account without your consent, including any interest paid into your account on that payment or deposit. If you have spent those funds you will be required to repay them or your account may be overdrawn.

7.3 If we determine, acting reasonably, that a payment or credit to an account was an error, made by mistake (for example, where the sender entered or selected the account details by mistake) or was made in connection with fraud or a scam (including where the funds are the proceeds of fraud or a scam payment) we may return the amount to the sender or the person to whom we reasonably believe is legally entitled to the funds and debit the account. If we do, your and our rights and obligations will be the same as if the payment or credit was never made and we may make adjustments to the account to reflect this. If the payment is a mistaken internet payment we will act consistently with any other parts of these terms and conditions that deal with mistaken internet payments and the ePayments Code (where it applies).

8. Bank cheques

8.1 We can issue you with a cheque drawn on us. This is known as a bank cheque and is usually used where the payee has specifically requested a bank cheque in payment for goods or services. There is a fee for the issue of a bank cheque. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

8.2 Although most people regard bank cheques as cleared funds, they are not equivalent to cash. A bank may dishonour a bank cheque including if:

- (a) the signature of an officer of a bank is forged or placed on a bank cheque without the bank's authority;

- (b) the bank cheque has been fraudulently or materially altered;
- (c) a fraud or other crime has been committed;
- (d) the bank is advised that the bank cheque is lost or stolen;
- (e) there is a court order preventing the bank from paying a bank cheque;
- (f) the bank has not received payment or value for the issue of the bank cheque.

8.3 If a bank cheque is lost, destroyed or stolen, we may provide a replacement bank cheque for a fee. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

9. Overdrawn accounts

9.1 Unless we have agreed to provide you with an overdraft facility, you must at all times:

- (a) keep a credit balance in your account;
- (b) avoid deliberately overdrawing your account; and
- (c) avoid using a payment facility or requesting a payment service which could lead to your account being overdrawn.

9.2 If we agree to provide you with an overdraft facility, we may specify an approved overdraft limit. If we do not specify an approved overdraft limit, the approved overdraft limit is assumed to be \$0.

9.3 If we debit an amount to your account that causes your account to be overdrawn, this does not mean that we have agreed to provide you with an overdraft facility or a credit facility.

9.4 If you overdraw your account in breach of these terms and conditions, you agree that:

- (a) we may debit the overdrawn amount to your account;
- (b) you will repay the overdrawn amount as soon as possible
- (c) we may restrict the way in which you gain access to your account, including by suspending card access, until such time that the overdrawn amount is repaid;
- (d) we may cancel any payment facility linked to your account; and
- (e) until such time that the overdrawn amount is repaid, we will calculate interest on the overdrawn amount on a daily basis.

9.5 Further to clauses 9.2 and 9.4(e) above, if you exceed an approved overdraft limit you agree that we may charge you the Overlimit Rate on the overdrawn amount in addition to the Standard Overdraft Rate (unless you have a Bendigo EasySaver Account or a Bendigo RewardSaver Account, in which case only the Savings Overdrawn Rate will apply).

Example 1: your account (excluding Bendigo EasySaver Accounts and Bendigo RewardSaver Accounts) has an approved overdraft limit of \$500 and you overdraw your account by an additional \$250, which means that your account will be overdrawn \$750 in total. The Standard Overdraft Rate will apply to the full \$750, but the Overlimit Rate will only apply to the \$250 that exceeds your approved overdraft limit.

Example 2: your account (excluding Bendigo EasySaver Accounts and Bendigo RewardSaver Accounts) has an approved overdraft limit of \$0 (because we have not specified an approved overdraft limit) and you overdraw your account by \$500. The Standard Overdraft Rate and the Overlimit Rate will both apply to the overdrawn amount of \$500.

Example 3: you have a Bendigo EasySaver Account and you overdraw your account by \$300. The Overdrawn Account Rate will apply to the overdrawn amount of \$300.

9.6 Further to clause 9.4(e) above, you agree that:

- (a) any interest that has accrued on the overdrawn amount will be debited to your account at such time that we would have ordinarily credited interest to your account; or
- (b) if you have a product that does not have the ability to accrue credit interest (for example, a Bendigo Everyday Account with an offset facility;) any interest that has accrued on the overdrawn amount will be debited to your account half-yearly on 1 April and 1 October.

9.7 We may change the interest rates applicable to overdrawn accounts from time to time at our discretion. If any law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law. Our right to make these changes is subject to the conditions in clause 18. Our current interest rates for overdrawn accounts are set out in the Schedule of interest rates for Personal Accounts.

You can find out our current interest rates by contacting one of our branches, phoning 1300 236 344 or by visiting our website www.bendigobank.com.au

9.8 If you are the recipient of Centrelink benefits we will act in accordance with our obligations under the Code of Operation for Department of Human Services and Department of Veterans' Affairs Direct Credit Payments when exercising our rights in relation to your overdrawn account, for example, where we combine accounts.

In particular, unless otherwise agreed, we will allow you to access up to 90% of your future Centrelink benefits until the account is no longer overdrawn. If your account becomes overdrawn, please visit any of our branches to discuss your needs and arrange access to your account.

10. Account Combination

10.1 We may combine the balances of two or more of your accounts which are of the same ownership and entity name, even if the accounts are at different branches. For example, we may do this if one of your transaction accounts is overdrawn or in debit and the other is in credit. In this situation the credit in one transaction account would be used to reduce the debit balance in the other account. We will promptly inform you if we combine your accounts. We need not notify you in advance.

10.2 When combining accounts we will comply with any applicable requirements of the Code of Operation for Department of Human Services and Department of Veterans' Affairs Direct Credit Payments.

10.3 We will not exercise our right to combine your accounts in connection with amounts you owe in respect of any credit facility which you hold with us that is regulated by the National Credit Code:

- (a) while we are actively considering your financial situation as a result of your hardship application (we may ask you, as a condition of not exercising our right to combine your accounts, to agree to retain funds in an account until our decision on your hardship application has been made); or
- (b) while you are complying with an agreed arrangement with us resulting from our consideration of your hardship application.

11. Statements and Confirmation of Transactions

11.1 We will issue you with a statement of account at least once every six months. If you would like to receive a statement of account more frequently, please contact one of our branches. A fee may apply to this service. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.

- 11.2 You must check your statement of account and immediately notify us if you notice an error or possible unauthorised transaction on that statement. You should keep your statements safe for future reference.
- 11.3 You agree that confirmation of transactions involving your account or any payment facility may be provided by:
- (a) Bendigo Phone Banking and Bendigo e-banking, if you have access to either of those services (not all fees are available for inquiry via either of these channels);
 - (b) you requesting confirmation at any of our branches.
- 11.4 You agree that any request you make for a balance or information using Bendigo Phone Banking, Bendigo e-banking or by any other means, in relation to any account which is regulated by the National Credit Code is not a request for a statement of a kind referred to in that Code in respect of that regulated account.
- 11.5 If you apply to open an account through Bendigo e-banking (including the Bendigo Bank app), you agree that we will give you statements of account for that account electronically as e-statements that you can download in Bendigo e-banking. If paper statements are available for your account type, you can change your statement preference to paper statements that will be sent to you by post in Bendigo e-banking or by contacting us.
- 12. Receipts and vouchers**
- 12.1 When you use Bendigo Bank equipment to access your account we will provide you with a record of your transaction, unless you specify that a record is not required. You must check your record of the transaction and keep it to reconcile to your statement.
- 12.2 We strongly advise you to keep all of these documents in a safe place, as you may need them to do things such as complete tax returns, confirm payments have been made for goods and services and check what payments and cheques are un-presented and how much money you have in your account at any one time.
- 12.3 If you misplace any of your account records or need us to provide you with information about any of your transactions, such as cheques you have written out or interest payments for tax purposes, we can help by conducting a search of our records. A fee may apply for this service to cover our costs. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.
- 12.4 You should keep your credit card vouchers and printed records of transactions to reconcile to your statement. We are not obliged to provide you with copies of merchant or transaction vouchers.

13. Joint accounts

- 13.1 This clause applies if an account is in two or more names jointly.

Understanding your obligations

- 13.2 We may allow you to operate accounts jointly with other persons.
- 13.3 If you do, your liability under these terms and conditions is both joint and several. This means that each of you is liable both on your own and together for the whole of any debit balance on the account. You should carefully consider any arrangement which involves you becoming a joint account holder.
- 13.4 It is up to you and the other joint account holder(s) to specify how many signatories are required to operate a joint account. Account operating instructions are part of your contract with us and may only be altered by written notification to us, signed by each party to the joint account. However, any joint account holder(s) can cancel operating instructions by contacting us which will require that all further instructions be given jointly by all joint account holder(s).
- 13.5 Despite any instructions you may give us to the contrary, we may insist that the joint account only be operated on the signatures of all joint account holders if:
- (a) one of the joint account holders requests us in writing to do so; or
 - (b) we are notified of any dispute between the joint account holders; or
 - (c) we are notified of the bankruptcy of any of the joint account holders.
- 13.6 You agree that each of you act as an agent for the other and that we can send a copy of a notice or statement to all or any one of you, except where we are legally obliged to do otherwise.
- 13.7 You agree that each joint account holder may have access to information about the account without the consent of the other joint account holders.
- 13.8 In the event of your death, the account will be treated as the account of the surviving account holder(s) only.
- 14. Authorised Signatories and operating instructions**
- 14.1 You may ask us, in writing, to authorise one or more other people to access and operate your account. A person who is authorised to operate your account is called an authorised signatory. This includes:
- (a) a person who is authorised to access and operate your account – an authorised signatory;
 - (b) a person who is authorised to access and operate your account with card access only – an additional cardholder; and

- (c) a third party authorised by you to only use Bendigo Phone Banking or Bendigo e-banking to access or access and operate your nominated account and who is registered with us as an authorised user for use of Bendigo Phone Banking or Bendigo e-banking - an authorised e-banking user.
- 14.2 Where there is more than one authorised signatory you must specify how many of the authorised signatories must authorise a transaction in order to operate your account. Your instructions in relation to how many authorised signatories must authorise a transaction in order to operate your account are called operating instructions.
- 14.3 If you are a company, body corporate, club or association, we may require appointment of authorised signatories and directions as to operating instructions to be under common seal or authenticated by minutes of a resolution of your directors or governing body.
- 14.4 We do not have to agree to your request to add an authorised signatory to your account, but if we agree we may impose conditions. If we do not agree to your request, we will notify you.
- 14.5 Where you request that a person be authorised as an additional cardholder, and where we agree to that request:
- (a) that person must be:
- i. 12-15 years for a Youth Debit Mastercard; and
- ii. 16 years or older for all other cards;
- (b) we will issue to that person a card linked to your account ("additional card");
- (c) you authorise us to debit your account with all transactions made using the additional card and you will be responsible and liable for these transactions as if you had made them yourself; and
- (d) these terms and conditions apply to the additional card in the same way that they apply to your card.
- 14.6 In relation to an authorised e-banking user, you may request a maximum daily withdrawal limit to apply to your authorised user(s). This limit may include \$0 or view-only access.
- 14.7 You can arrange to have the authority of an authorised signatory cancelled, stopped or revoked, or your operating instructions changed at any time. You must also return to us any card (cut in half for your protection) that we have issued to that person. You remain responsible for all transactions made using an additional card until they are returned to us, or you have taken all reasonable steps to return them to us.
- 14.8 We are entitled to act on instructions given by your authorised signatories in accordance with your operating instructions, and within the guidelines of non-titled member type, unless the authorised signatory is an authorised user who can only access, but not operate, your account in which case we will only act on the instructions of that person in so far as they relate to accessing your account. We are not required to make any inquiries in relation to any instructions received by an authorised signatory in relation to the operation of your account. Subject to Section H: BPAY and Section K: Pay Anyone Service you are wholly liable for any loss or damage you or a third party suffers as a result of us acting upon those instructions.
- 14.9 These terms and conditions other than this clause 14 apply to the authorised signatory in the same way that they apply to you. You should ensure that any authorised signatory has read these terms and conditions and complies with them as if they were you. If the authorised signatory does not comply with these terms and conditions, you will be in default.
- 14.10 You consent to us giving an authorised signatory information about your account.
- 14.11 You may ask us, in writing, to limit the dollar amount available to some authorised signatories to restrict their authority.
- 15. Cancelling a payment facility**
- 15.1 We may cancel a payment facility if:
- (a) we have received notice of your mental incapacity, bankruptcy or death;
- (b) we believe any of your card, PIN, password, access number or any other access method are being used, or will be used, in a way that will cause loss to you or us;
- (c) we reasonably believe you induced us to issue the payment facility by fraud;
- (d) you or an authorised signatory breach any of these terms and conditions;
- (e) we close your account;
- (f) in the case of Bendigo Phone Banking, Bendigo e-banking, Pay Anyone Service or Automatic Payments the security or quality of the service is threatened;
- (g) it is reasonably necessary to protect our legitimate interests, or it is to benefit you.
- We will give you reasonable notice of our intention to cancel your payment facility if it is practical to do this. It may not be practical, for example, if urgent action is required to protect your account.

- 15.2 We will take and promptly process your instruction to cancel a direct debit request which is set up using your account number. You may cancel a direct debit request at any time by giving us notice in writing, via telephone, via secure email or by coming into one of our branches and talking to a staff member.
- 15.3 You are encouraged to maintain a record of any regular payment arrangement entered into with a merchant using your card number.
- 15.4 To either change or cancel any regular payment arrangement set up using your card number you should contact the merchant at least fifteen days prior to the next scheduled payment. Until you attempt to cancel the regular payment arrangement with the merchant directly we must accept the merchant's transaction. If possible you should retain a copy of their change/cancellation request. Should the merchant fail to act in accordance with these instructions you may have rights to dispute the transaction.
- 15.5 Should your card number be changed i.e. as a result of lost or stolen card you must request the merchant to change the details of your existing regular payment arrangement to ensure arrangements continue. If you fail to undertake this activity your regular payment arrangement either may not be honoured by us or the merchant may stop providing the goods and/or services.
- 15.6 Should you elect to close your card account or your account is closed by us you should contact the merchant to amend any regular payment arrangement set up using your card number; as the merchant may stop providing the goods and/or services.
- 15.7 If we cancel a payment facility we will notify you as soon as possible afterwards except if we cancel a direct debit, periodical payment or sweep facility after being advised by the payee that no further payment is required or your account is closed.
- 15.8 You may alter, stop or cancel a payment facility at any time by giving us notice in writing or by coming into one of our branches and talking to a staff member.
- 15.9 If your card is cancelled, you must immediately return to us all cards issued to you or an additional cardholder (cut in half for your protection). You will be liable for any transaction you or any additional cardholder make until the card is returned to us. If you use your card after it is cancelled, we can tell any merchant that the card has been cancelled.
- 15.10 If your access to Bendigo Phone Banking or Bendigo e-banking is cancelled, we may refuse any transaction you initiate through these facilities without giving any reason or advance notice to you.
- 15.11 If you cancel a direct debit, periodical payment or sweep facility, we must receive your instructions at least one business day prior to the due date of the next payment, otherwise that payment may nevertheless be made. For direct debit cancellations we may suggest that you contact the merchant concerned.
- 16. Stopping or closing your account**
- 16.1 You may request us to close your account only if it is in credit. You may close the account by:
- visiting one of our branches and telling us you wish to close the account; or
 - a written request to us, and returning to us all unused cheques and all cards linked to that account.
- Where an account has been forcibly closed by the Bank due to being overdrawn for an extended period of time, we may request such funds to be repaid before a new account will be established.
- 16.2 For the Bendigo Reward Saver Account, your account cannot be closed on the 1st and 2nd calendar day of the month, in order for us to determine whether bonus interest is payable to you.
- 16.3 If a card is linked to your account, you must give us fourteen days notice of your wish to close your account. You must return to us all cards issued on the account at the time of giving notice. This fourteen day period is to allow for outstanding card transactions to be presented for payment before the account is closed.
- 16.4 We may close your account at any time, due to unsatisfactory conduct or for any other reason if we consider it necessary to prevent fraud or other losses to you or us or to protect our legitimate interests, by giving you notice that is reasonable in all the relevant circumstances and reimbursing you for any amount standing to the credit of your account. If you or an authorised signatory breach any of these terms and conditions or your account is open with a zero balance and you do not operate your account within 180 days of opening, we may close the account without giving you prior notice. Examples of unsatisfactory conduct include behaviour that is
- Defamatory, harassing, threatening to any person (including use of payment descriptions and / or references)
 - Promotes or encourages physical or mental harm of any person (including use of payment descriptions and / or references)
- 16.5 We will give you notice as soon as possible after closing the account (unless we have previously given you notice) and will reimburse you for the amount standing to the credit of your account. This will not apply where we close any account opened with a zero balance and which has not been operated within 180 days of opening.

- 16.6 If your account is closed:
- (a) we may cancel any card linked to the account, and disable your access to other payment facilities linked to the account;
 - (b) you must return to us all cards, any security tokens issued to you, and all unused cheques linked to the account;
 - (c) you will be liable for any transactions that were not processed, or that occur, on the account (including, but not limited to, outstanding merchant purchases, cash advances and cheques presented) at the time the account is closed;
 - (d) you must pay to us on demand all unpaid fees and charges prior to closing the account;
 - (e) you must arrange deregistration of your access numbers;
 - (f) we will automatically cancel any periodical payments or sweep facilities.

16.7 You should make arrangements for any automatic payments, direct debit, direct credit payments, interest payments, periodical payments, sweep facilities or ongoing Pay Anyone Service Payments that are paid into or out of your account to be re-directed before the account is closed.

16.8 We reserve the right to withdraw any account from offer without notice.

- 16.9 Acting reasonably, we may place a stop on your account if:
- (a) you are in breach of any of the terms and conditions;
 - (b) you have not provided us with information that we have asked you to provide;
 - (c) we receive notice of your mental incapacity, bankruptcy or death;
 - (d) we become aware of any dispute which in our reasonable opinion has a bearing on the account.

If we place a stop on your account, you or anyone else will not be able to make any withdrawal transactions on the account or otherwise operate it. Credit transactions will still be allowed unless you specifically request credit transactions be stopped also.

16.10 If we receive notice of a dispute from a third party who claims a beneficial interest in the funds held in the account, we may at our discretion freeze the account until the dispute has been resolved to our reasonable satisfaction.

17. Dormant accounts

- 17.1 If you do not operate your account for a number of years, your account may be deemed dormant.
- 17.2 If your account does become dormant we will send

you a letter (to the address noted for that account) advising you that your account is dormant and that you have the following options:

- (a) you can make a transaction to re-activate the account;
- (b) you can call 1300 236 344 advising that you would like to re-activate your account;
- (c) you can close the account; or
- (d) you can close the account and open another account with us that is more suitable to your current needs.

17.3 If you are unable to attend a Bendigo Bank branch to take up any of the above options, please contact us or the Bendigo Bank branch at which the account is held advising of your situation.

17.4 If we do not hear from you after we have sent you a letter, your account will be closed and where required to do so by law, the balance of your account will be sent to the Commonwealth Government as unclaimed money.

18. Changes

18.1 Acting reasonably, we may change these terms and conditions at any time. If any law regulates that change, we will only make the change to the extent permitted by, and subject to, the requirements of that law.

We can only make changes to the extent reasonably necessary to protect our legitimate interests, or to benefit you, including:

- (a) changes because of changes to our cost of funds or other costs of doing business or to ensure that we receive an adequate return on assets;
- (b) changes because of requirements of laws or industry codes of practice, prudential standards, court decisions, decisions of our dispute resolution scheme, guidance or directions from regulators, and similar reasons;
- (c) changes due to changes in the way we operate our business or our systems;
- (d) changes we think are necessary to fix errors or to make things clearer;
- (e) changes for information security or similar purposes;
- (f) changes to reflect market practice or standards or to keep our products competitive and meeting customer expectations and needs; or
- (g) changes made for other good reasons.

18.2 Subject to the requirements of any law, you agree that we can give notice of changes to these terms and conditions and of, any change that affects any of the matters specified in this document (including changes to fees and charges and interest rates)

- in writing (including by notice in your statement of account)

Bendigo Personal Accounts and Facilities - Terms and Conditions

- by an advertisement in a major daily newspaper published in Australia or at such other frequency as published by the overseas local major newspaper (if applicable)
- in such other manner as we reasonably consider is likely to come to the attention of as many account holders as possible or
- in accordance with clause 28.4.

18.3 The notice of change table sets out how much prior notice we will give you of changes, if prior notice is required. Where no prior notice is required, we will give you notice of a change no later than the day on which the change takes effect. However, we may give you a shorter notice period or no notice of a change if it is reasonable for us to manage a material and immediate risk. In that case, we will give you notice of the change as soon as is reasonably practicable.

18.4 If a government charge payable directly or indirectly by you is introduced or varied, we will notify you by advertisement in the national media or local media or in writing unless the introduction or variation is publicised by the Government.

19. Tax

- 19.1 When you open an account with us, you have the option of supplying us with your Tax File Number. If you don't, we are required by law to deduct withholding tax from your interest, at the highest marginal rate plus the Medicare Levy and forward it to the Australian Taxation Office.
- 19.2 Similar requirements also apply to joint accounts where one or more of the account holders have not supplied their Tax File Number.

Providing your Tax File Number is NOT compulsory, but is advisable.

- 19.3 If you are entitled to an exemption in relation to this tax you should advise us of your type of exemption and provide any supporting documentation we may require.
- 19.4 If your account is a Bendigo Everyday Account with an offset facility that is linked to a loan account, there is no interest entitlement that is subject to income tax and the only benefit is the right to the interest reduction on the loan account under the offset arrangements. Loan account offset arrangements are subject to rulings and policies of the Australian Taxation Office, which may change.

What happens if I don't provide my Tax File Number?

- 19.5 If you choose not to provide us with your Tax File Number, we are required to deduct withholding tax at the highest marginal tax rate – plus the Medicare Levy, when you earn interest income of \$120 or more a year.

Note: Generally children under 16 do not need to provide us with a Tax File Number, however, where the child's investment income (or interest) is likely to be \$420 per annum or more, it is advisable to obtain a tax file number as interest earned in excess of \$420 is subject to withholding tax. Deductions of withholding tax are calculated on a daily pro-rata basis, regardless of whether or not the account earns more than \$420 in interest during the financial year.

The above clauses 19.1, 19.2, 19.3, 19.4 and 19.5 do not apply if you are not a resident of Australia. We are required to withhold Australian non-resident withholding tax from interest income earned on your account which is currently 10%.

- (a) If we are unable to resolve the complaint within 30 days, we will notify you of this fact, inform you of the reasons for the delay and specify a date by which a decision can reasonably be expected (unless we are waiting for a response from you and we have told you that we require that response and your non-response is preventing us from dealing with your complaint), provide you with the name and contact details of our external dispute resolution provider, and provide you with monthly updates on the progress of your complaint);

- (b) If the complaint involves a credit card account and we decide to exercise any rights we may have under the rules of the credit card scheme:

- (f) alternatively, if we decide to resolve your complaint in your favour, we may adjust your account accordingly within seven business days of receiving the complaint and provide the information required by paragraphs (c) and (e) and close the investigation. When we choose this course of action we are not required to comply with clause 21.3 and paragraph (d);
- (g) if we fail to observe the appropriate allocation of liability in accordance with the relevant clauses of the ePayments Code or fail to

explain the reasons of any findings that you are liable by reference to relevant aspects of those paragraphs, or in any material respect we fail to observe the complaint investigation and resolution procedures set out in this clause or as required by the ePayments Code, and where such failure has contributed to a decision by us against you or delayed the resolution of your complaint, we may accept full or partial liability for the amount of the transaction which is the subject of your complaint.

25. Financial Claims Scheme

The Financial Claims Scheme protects depositors through the provision of a guarantee on deposits (up to a cap) held in authorised deposit-taking institutions (ADI's) in Australia and allows quick access to their deposits if an ADI becomes insolvent. As such please note the following information:

- you may be entitled to a payment under the Financial Claims Scheme in the event of us becoming insolvent;
- accessibility to the Financial Claims Scheme is subject to eligibility criteria; and
- information about the Financial Claims Scheme can be found at www.fcs.gov.au.

The Australian Government has given notice that it is reviewing the application of the Financial Claims Scheme to accounts held by non-residents of Australia. This may result in the Financial Claims Scheme no longer applying to accounts held with us by overseas customers.

26. Anti-Money Laundering and Counter-Terrorism Financing (AML/CTF)

- 26.1 We are committed to the regulatory requirements for anti-money laundering and counter-terrorism financing.
- 26.2 To comply with these requirements we may:
- (a) require you to provide to us, or otherwise obtain, any additional documentation or other information;

- (g) any unauthorised access to, or disclosure of information relating to, your account through a payment facility.

We do not exclude any liability to you for loss or damage to you arising directly from the fraud, negligence or wilful misconduct of us, our employees or agents or a receiver appointed by us.

28. Other

- 28.1 We may decide, at our discretion acting reasonably, the order in which payments will be processed.

- 28.3 Notices and other communications for us may be:
- (a) given personally to one of our employees at any of our branches or sent by post or facsimile to our registered office;

However, we will not give you a notice or communication in this way if you have notified us that you do not want to receive notices and communications from us in this way. You can notify us that you do not want to receive notices and communications from us in this way by contacting us.

- 28.5 You must give us any information or documents we reasonably require to identify you or any person authorised to operate your account. Subject to the requirements of any law, you authorise us to check the authenticity of any such information or documents that you give to us.
- 28.6 Enforcement expenses may become payable if you breach these terms and conditions. For instance, if you overdraw your account without our written permission we may take legal action to recover the debt. Any reasonable expenses we incur in recovering our debt will be payable by you and you authorise us to debit the amount of these expenses to your account.

Our rights under these terms and conditions

- 28.7 We may choose at any time to waive any of our rights under these terms and conditions. Subject to any applicable law, a waiver by us is not a change to, and does not reduce our rights under, these terms and conditions unless we give you written notice that it is a change to these terms and conditions.
- 28.8 Nothing in this agreement has the effect of excluding, restricting or modifying rights in the Australian Securities and Investments Commission Act or Competition and Consumer Act, which cannot be excluded, restricted or modified by agreement.
- 28.9 Part or all of any provision of these terms and conditions that is illegal or unenforceable will be severed from these terms and conditions, however the remaining provisions of these terms and conditions will continue in force.

In relation to transactions to or from the account you authorise Bendigo Bank to disclose and collect information (including personal information) to and from other financial institutions to the extent Bendigo Bank considers this reasonably necessary. This may include the monitoring of payment descriptions and references.

- 28.11 You should inform us promptly if you are in financial difficulty.
- 28.12 To the extent that the National Credit Code applies to these terms and conditions and:
- that Code would otherwise make a provision of these terms and conditions illegal void or unenforceable; or
 - a provision of these terms and conditions would otherwise contravene a requirement of that Code or impose an obligation or liability which is prohibited by that Code, these terms and conditions are to be read as if that provision were varied to the extent necessary to comply with that Code or, if necessary, omitted.
- 28.13 We may only exercise our rights under a term in these terms and conditions to the extent (if any) reasonably necessary to protect our legitimate interests. This clause applies to a term in these terms and conditions, despite any other term, if it:
- is subject to unfair contract terms legislation; and
 - is to our advantage; and
 - causes a significant imbalance in the rights and obligations of you and us under these terms and conditions; and
 - would cause detriment to you if we applied the term or relied on the term.

Words used in this clause have the meanings given to them in the unfair contract terms legislation.

When your credit rating could be affected

- 28.14 If your account(s):
- become overdrawn without arrangements; and
 - remain overdrawn for more than 60 days after the end of any period we allow for you to repay the amount overdrawn, then we may commence enforcement action and report your default to a credit reporting agency.

Section D: Cards

We warrant that we will comply with the requirements of the ePayments Code.

This section and Section F apply if we issue a card that is linked to an account to which this document applies. However, it only applies to a Bendigo Credit Card to the extent that the card is used to access any of the accounts to which this document applies (it does not apply when you use these cards to access credit accounts).

39. Your Card

- 39.1 You must be 12-15 years of age to apply for a Youth Debit Mastercard, 16 years of age or more to apply for a Debit Mastercard or 18 years of age or more to apply for any other card. In addition, the cards are not available on all accounts. The Key Features Tables starting on page 4 indicate the accounts for which they are available.
- 39.2 The issue and use of a card is at all times at our discretion. The card will always remain our property and must be returned to us on demand.
- 39.3 We may issue replacement cards at any time. For example, we may issue a replacement card when the cardholder has changed his or her name, or when the card has been damaged. If we issue a replacement card to you or an additional cardholder, you or the additional cardholder must not use the card it replaces and you remain liable for any use of the replaced card.
- 39.4 Before the expiry date of your card, we will automatically issue you with a renewal card unless you request us in writing not to do so. At least two months prior to your card expiring, you must notify us of any changes to your address. This will ensure our records are up to date in the event that we mail your reissued card directly to you.
- 39.5 If your card includes a signature panel you must sign your card as soon as you receive it and ensure that any additional cardholder also immediately signs his or her card. A card may not be accepted unless it has been signed. Your card is only valid for the period shown on it.
- 39.6 We will give a card to you by either mailing it to you by post or handing it to you at one of our branches. You may be required to produce suitable identification when collecting the card. Once you have received the card, you are responsible for the security of the card. We recommend against sending cards by ordinary post.
- 39.7 You must choose a password for your card. We may ask you for this password at any time as further proof of your identity.
- 39.8 You may be required to produce suitable identification when using your card.

39.9 A feature of the Youth Debit Mastercard is that certain types of transactions are restricted, including those relating to alcohol, tobacco and gambling. This means that if the cardholder attempts to undertake a transaction that falls within a particular Merchant Category Code*, the transaction request may be declined. In other words, if the Youth Debit Mastercard is used to make what we consider to be an unsuitable purchase, we will (where possible) block the transaction.

47. Equipment

It is your responsibility to obtain and maintain any electronic equipment which you may need to have to access Bendigo Phone Banking and Bendigo e-banking.

48. Authorised Users

Please refer to clause 14 for information about requesting us to authorise a person as an authorised user to use Bendigo Phone Banking or Bendigo e-banking.

49. Access

49A) Multi-factor authentication

Multi-factor authentication (or "MFA") is a security measure that requires two or more proofs of identity to verify a user. Asking for additional details to confirm your identity provides greater security compared to a password alone, making it harder for unauthorised persons to access your accounts and information.

We may require that you use one or more of the MFA options we make available to you to log in to Bendigo e-banking, to access or use certain parts of Bendigo e-banking, to request or authorise certain transactions or changes in Bendigo e-banking or to register a device to use the Bendigo Bank app, in our discretion. When we do so, we may refuse to provide you with the relevant access or refuse to accept the relevant request or instruction from you unless the MFA is successful.

The MFA options available may change from time to time and may differ depending on how you are accessing Bendigo e-banking. Some MFA options include use of a one-time passcode which we send to you by SMS to your registered mobile number, email to your registered email address or in some other way, or that you generate using a device or software we have agreed you may use.

You must keep any one-time passcode we send you or that you generate for MFA purposes secret and not disclose it to any person.

You can change the mobile number or email address that is registered with us for MFA by contacting us.

49B) Bendigo Bank app

This clause applies if you access Bendigo e-banking through the Bendigo Bank app.

If you download and access Bendigo e-banking through the Bendigo Bank app, you will need to log in using your Bendigo e-banking Access ID and Password and register the device you are using. We may de-register a device or require that you re-register the device through the Bendigo Bank app at any time in our discretion.

After you have registered your device, we may give you the ability to set a four-digit PIN or use your device's biometric authentication features (if available) to log in or authenticate yourself in the app in the future or to use it as an additional MFA option.

You must ensure that you keep your Bendigo Bank app four-digit PIN secret and secure and not disclose it to anyone. You must only enable use of a biometric authentication feature on your device in the Bendigo Bank app (if available) while you are the only person who has registered their biometric information on the device. If any other person's biometric information is registered on your device as part of the biometric authentication feature you will be taken to have authorised that person to access and operate on your accounts and information through the Bendigo Bank app and you will be liable and responsible for their actions.

49.1 You will only have access to accounts where:

- (a) the accounts you seek to access, using Bendigo Phone Banking or Bendigo e-banking, are Bendigo Bank accounts;
- (b) you are registered with us as the registered account holder or signatory or have the authority as an authorised user or the registered account holder to access or conduct transactions on the accounts;
- (c) we have received no notification or we are unaware that the nominated account is under any dispute of any kind with any other party or entity;
- (d) we have received no notification or we are unaware that an application for bankruptcy or liquidation has been filed either by you, or issued or lodged by another person or entity.

49.2 We will make reasonable efforts to ensure the availability of Bendigo Phone Banking and Bendigo e-banking during the hours we have specified from time to time and ensure that information we make available to you through Bendigo Phone Banking and Bendigo e-banking is correct.

49.3 We may block access to Bendigo Phone Banking or Bendigo e-banking at any time without notice if we believe either service is being misused by you or used without your authority.

49.4 Where your access has been blocked due to fraudulent activity, you will be required to use firewall software and anti-virus software, update your operating system and provide proof of the same on your internet enabled device before access will be re-instated.

49.5 We may withdraw electronic access to your account without prior notice to you in the event of any Bendigo Bank equipment or Bendigo Bank system malfunction.

49.6 We can remove your electronic access without giving you notice where you have not accessed the e-banking system for at least six months or Phone Banking for at least twelve months.

49.7 If you give us notice to cancel your access, or your authorised user's access, you remain bound by these terms and conditions which may apply notwithstanding that your access or your authorised user's access has been cancelled.

50. Exiting Bendigo e-banking

If you use Bendigo e-banking you must click on the logoff button when you have finished using the service. This is particularly important in a work environment or another environment where the terminal you are using may be left unattended for a reasonable period of time.

51. Confirmation of Transactions

51.1 We will provide you with a transaction receipt number every time you make a transaction on your account using Bendigo Phone Banking or Bendigo e-banking. You should record the transaction receipt number and it should be quoted if you or they have any queries in relation to that transaction.

51.2 Subject to the requirements of any law, where you carry out a transaction through Bendigo e-banking on our website and we make a transaction record or receipt (which you can save or print) available to you on the website immediately on completion of the transaction, we will not provide you with a paper transaction record or receipt.

52. Our responsibility for Bendigo Phone Banking and Bendigo e-banking

You acknowledge and accept that Bendigo Phone Banking and Bendigo e-banking may only show transactions and balances current as at the previous business day.

53. Liability

53.1 You will be liable for all transactions on your account carried out by using an access number or PIN. You authorise us to debit all such transactions to your account.

53.2 To the full extent permitted by law we are not liable for any loss (including consequential loss) you suffer as a result of using Bendigo e-banking or Bendigo Phone Banking other than any loss or damage which is due to fraud negligence, wilful misconduct of us, our employees or agents or a receiver appointed by us or breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

Section F: Use and security of your card, access number, password and PIN

This section applies if you have a card, access number, password or PIN.

54. Protecting your card, access number, password and PIN

54.1 The security of your card, access number, password and PIN is very important. You may be liable for unauthorised transactions which you contribute to by not keeping your card, password and PIN secure. Your liability is governed by clause 59.

54.2 Customers will not breach clause 54.1 in situations where they disclose their access number and password to Bendigo Bank or a Bendigo Bank approved service provider provided that the customer has been presented with and consented to the relevant disclosure statements related to such a request.

54.3 You must ensure that you:

- (a) keep your card access number, password and PIN secure and protected;
- (b) do not tell anyone your PIN or password;
- (c) do not record your PIN or password anywhere, in electronic or written form, and, in particular, not on the "user guide" provided by us upon registration;
- (d) do not select a PIN that is easily identified with you (e.g. your date of birth, your name or part of it or your phone number);
- (e) do not select a PIN that is a common or easily guessed combination (e.g. repeated or consecutive numbers such as 5555 or 1234);
- (f) do not provide your PIN, password or card to any person (including a family member or a friend);
- (g) do not allow any unauthorised person to observe or hear your PIN or password.

54.4 You must also ensure that your additional cardholders do each of these things.

54.5 If you have a card you must also ensure that you:

- (a) sign your card as soon as you receive it;
- (b) keep your card in a safe place;
- (c) check regularly that you have your card in your possession;
- (d) take steps to ensure that no one else has access to the PIN notification you receive through the mail. We recommend that you destroy the PIN notification once you have memorised it;
- (e) do not record your PIN on your card or carry any record of your PIN in an undisguised form with the card. (Merely placing a couple of digits at the beginning or end of your PIN disguising it

as a telephone number or birth date is not sufficient);

- (f) do not let anyone use your card. You may be legally liable if someone else uses your card and PIN, with or without your permission;
- (g) destroy expired cards;
- (h) collect your card from the ATM after completing a transaction.

54.6 You must also ensure that any additional cardholder does each of these things.

54.7 The following ways of recording a PIN are often deciphered by thieves and it is strongly recommended that these ways are not used for recording PIN's:

- (a) recording the PIN as a series of numbers with any of them marked, circled or highlighted to indicate the PIN;
- (b) recording the PIN with surrounding information that makes it stand out from its context. For instance, a PIN recorded as a 4 or 6 digit telephone number where all other numbers are 8 digits;
- (c) recording the PIN as a string of digits in isolation from other information; and
- (d) recording the PIN as a birth date, postcode or telephone number without additional features of disguise.

54.8 A reasonable attempt must be made to protect the security of a PIN. Making any reasonable attempt to disguise the PIN within the record, or prevent unauthorised access to the PIN record, includes but is not limited to:

- (a) hiding or disguising the PIN record among other records,
- (b) hiding or disguising the PIN in a place where a PIN would not be expected to be found,
- (c) keeping a record of the PIN in a securely locked container, or
- (d) preventing unauthorised access to an electronically stored record of the PIN.

54.9 You must not act with extreme carelessness in failing to protect the security of your PIN where extreme carelessness means a degree of carelessness that greatly exceeds what would normally be considered careless behaviour. An example of extreme carelessness is storing your PIN in an unprotected computer or diary under the heading PIN.

55. Loss, theft and unauthorised use of your card, access number, password or PIN

- 55.1 You must notify us immediately if:
- (a) any record you may have of your PIN or password, or any record your authorised user or additional cardholder may have of their PIN or password, is lost or stolen;
 - (b) someone has stolen your card or your additional cardholder's card;
 - (c) you have lost your card or your additional cardholder has lost their card;
 - (d) you become aware or suspect another person knows your PIN or password or has used your PIN or password without your authority;
 - (e) you or an additional cardholder become aware or suspect another person knows their PIN or password or has used their PIN or password without their or your authority.

- 55.2 Any unreasonable delay in notifying us may expose you to liability for losses incurred as a result of unauthorised access or transactions. Liability for unauthorised transactions is set out in clause 59.
- 55.3 If for any reason you cannot contact the hotline, then contact your local branch or phone +61 3 5485 7872 during normal business hours. You are not liable for any unauthorised transactions which could have been prevented during any period of unavailability of all these contact points as long as you notify us within a reasonable time of a contact point becoming available.

- 55.5 You should confirm any verbal notification in writing or at one of our branches as soon as possible.
- 55.6 If you find your card after reporting it lost or stolen, do not attempt to use it. Cut it up and return it to us. We cancel all cards reported lost or stolen.
- 55.7 You can arrange for an emergency replacement card (except in the case of a Bendigo Easy Money card), if required, at the time of reporting your card lost or stolen.

56. Safeguarding payment instruments

You should safeguard payment instruments such as cards, cheques, bank cheques and passbooks. Subject to clauses 54 and 55 you will be liable for all transactions arising from the use of a payment instrument until you have advised us of its loss, theft or misuse. If any of the above payment instruments are lost, stolen or misused, you should contact us immediately.

57. Your Liability – Non PIN generated transactions

- 57.1 You are not liable for any transaction performed without your permission, unless you have contributed to the loss by:
- (a) letting someone else use your card; or
 - (b) unreasonable delay in notifying us of the loss, theft or unauthorised use of your card.

If you did either of these things, we may hold you liable for all transactions carried out using your card up to the time you notify us of the loss, theft or unauthorised use of your card.

- 57.2 A disputed transaction may include:
- (a) An unauthorised transaction – a transaction which you believe was not authorised by use of the card or account by a cardholder. This includes any unauthorised telephone, internet or mail orders or any other unauthorised transactions on your account.
 - (b) General dispute – a transaction which you wish to dispute. This may include a transaction which has been processed to your account more than once, or a transaction which was authorised by the use of your card or account which you wish to dispute.
- Despite notifying us of a disputed transaction, you remain liable for any purchase made by a cardholder or any person authorised by a cardholder.
- 57.3 Visa and Mastercard have a dispute resolution process that is contained in the operating rule of the card scheme. This process sets out the specific circumstances and timeframes in which a member of the scheme (e.g. a bank) can claim a refund in connection with a disputed transaction on a cardholder's behalf. This is referred to as a 'chargeback right'. We will claim a chargeback right where one exists and you have disputed the

transaction within the required time frame. We will claim the chargeback for the most appropriate reason. Our ability to investigate any disputed transaction on your account and subsequently process a chargeback is restricted by the time limits imposed under the operating rules of the card scheme. The timeframes for us to process a chargeback (where a chargeback right exists) vary between 45 days and 120 days, depending on the type of transaction. We will not accept a refusal of a chargeback by a merchant's financial institution unless it is consistent with card scheme rules.

57.4 Electronic transactions

If the ePayments Code is applicable to a disputed transaction, the timeframes as specified in 57.3 may not apply in certain circumstances.

57.5 Our ability to dispute a transaction on your behalf (where a chargeback right exists) may be lost if you do not notify us within the required timeframes. For this reason, it is in your interest to report any disputed transaction to us immediately and certainly no later than the due date shown on the statement of account.

57.6 If a dispute is withdrawn or resolved in favour of the merchant, a voucher retrieval fee may apply.

57.7 Where a dispute is resolved in your favour, we will make the necessary adjustments to any interest and fees charged as a result of your dispute.

57.8 To report an unauthorised transaction, please contact the Bendigo Bank by:

- Secure email
- Downloading a form from our website at www.bendigobank.com.au
- Telephone 1300 236 344; or
- In person at your local branch.

Section G: EFT Transactions – PIN, Password and/or access number generated transactions

We warrant that we will comply with the requirements of the ePayments Code.

58. Liability for authorised transactions

58.1 You are responsible for all transactions carried out using a PIN, password and/or access number by you or by anyone else with your knowledge and consent.

58.2 If Bendigo Bank equipment or a Bendigo Bank system malfunctions after having accepted your instructions or fails to complete the transaction in accordance with your instructions resulting in loss to you of some or all of the amount of a transaction, we will correct that loss by making any necessary adjustments to your account, including an adjustment of any interest or fee. If you consider that you have incurred additional losses as a consequence of the malfunction you may make a claim for any such loss.

58.3 If you are aware or should have been aware that the Bendigo Bank equipment or Bendigo Bank system was unavailable for use or was malfunctioning then our responsibility will be limited to the correction of errors in your account and the refund of any fee imposed as a result.

58.4 We may withdraw electronic access to your account without prior notice to you in the event of any Bendigo Bank equipment or Bendigo Bank system malfunction.

59. Liability for unauthorised transactions

59.1 You will not be liable for losses arising out of:

- (a) unauthorised transactions where it is clear that you or an additional cardholder have not contributed to the loss;
- (b) the fraudulent or negligent conduct of our employees or agents or companies involved in networking arrangements or of merchants who are linked to the EFT system or their agents or employees;
- (c) any component of an access method that is forged, faulty, expired or cancelled;
- (d) unauthorised transactions occurring after you have notified us as required by these terms and conditions of the loss, theft or misuse of a card, forming part of an access method or that the security of a PIN, password and/or access number has been breached;
- (e) transactions which require the use of a card, PIN, password and/or access number forming part of your access method and that occurred before you have received that card, PIN, password and/or access number (including a

- reissued or replacement card, PIN, password and/or access number);
- (f) the same transaction being incorrectly debited more than once to the same account.
- 59.2 You are liable where we can prove on the balance of probability that you or an additional cardholder have contributed to the losses in any of the following ways:
- (a) through your or an additional cardholder's fraud;
 - (b) by you or an additional cardholder voluntarily disclosing the PIN, password and/or access number to anyone, including a family member or friend;
 - (c) by keeping a record of the PIN that can be used together with a card (without making any reasonable attempt to disguise the PIN or prevent unauthorised access to the PIN) on the one article, or on several articles, carried with the card, so that they are liable to loss or theft simultaneously with the card;
 - (d) by keeping a record of your PIN, password and/or access number (without making any reasonable attempt to protect the security of the records) on the one article, or on several articles so that they are liable to loss or theft simultaneously;
 - (e) where we permit you or additional cardholder to select or change a PIN or password, by selecting numbers which represent the user's or cardholder's birth date or letters which are a recognisable part of their names, if immediately before this was done we specifically warned you not to do so and that you might incur liability by doing so;
 - (f) by acting with extreme carelessness in failing to protect the security of the PIN, password and/or access number;
 - (g) where the ePayments Code requires, that the recording or voluntary disclosure of one or more but not all of the codes forming part of the access method was the dominating contributing cause of the loss;
 - (h) by leaving a card in an ATM which incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM.
- 59.3 In these cases, you will be liable for the actual losses which happen before you or an additional cardholder notified us that the card had been misused, lost or stolen or that the security of a PIN or password forming part of the access method has been breached, but you will not be liable for any of the following amounts:
- (a) that portion of the losses incurred on any one day which exceed the applicable daily withdrawal limits;
- (b) that portion of the losses incurred in a period which exceeds any other periodic withdrawal limits applicable to that period;
 - (c) that portion of the total losses incurred on any account which exceeds the balance of that account (including any prearranged credit);
 - (d) all losses incurred on any accounts which we and you had not agreed could be accessed using the access method;
 - (e) any losses incurred as a result of conduct we expressly authorised you to engage in;
 - (f) any losses incurred as a result of you disclosing, recording or storing a PIN and/or access number in a way that is required or recommended for the purposes of using an account access service such as when you provide your codes to an aggregator service or store your codes in an electronic wallet on your computer which is expressly or impliedly promoted, endorsed or authorised by us.
- 59.4 Where we can prove on the balance of probability that you or an additional cardholder have contributed to the losses by unreasonably delaying notification after becoming aware of the misuse, loss or theft of a card forming part of the access method, or that the security of all the codes forming part of the access method has been breached, you are liable for the actual losses which occur between when you or an additional cardholder became aware (or should reasonably have become aware in the case of a lost or stolen card) and when we were actually notified, but you are not liable for any of the following amounts:
- (a) that portion of the losses incurred on any one day which exceed any applicable daily withdrawal limits;
 - (b) that portion of the losses incurred in a period which exceeds any other periodic withdrawal limits applicable to that period;
 - (c) that portion of the total losses incurred on any account which exceeds the balance of that account;
 - (d) all losses incurred on any accounts which you and we had not agreed could be accessed using the access method.
- 59.5 Where we cannot prove you were liable under clauses 59.2 or 59.4 and a PIN, password and/ or access number was required to perform the unauthorised transaction, you will be liable for the least of:
- (a) \$150;
 - (b) the balance of those accounts (including any prearranged credit) which you and we have agreed may be accessed using the access method;

- (c) the actual loss at the time we were notified (where relevant) that the card has been misused, lost or stolen or that the security of the codes forming part of the access method has been breached (excluding that portion of the losses incurred on any one day which exceed any applicable daily withdrawal or other periodical withdrawal limits).
- 59.6 You authorise us to debit any amount for which you are liable under this clause 59 to your account.

Section H: BPAY

60. About the BPAY scheme

- 60.1 This section applies if you ask us to make a BPAY payment on your behalf.
- 60.2 The BPAY scheme is an electronic payments scheme through which you can ask us to make payments to billers who inform you that you can make BPAY payments to them through the BPAY scheme.
- 60.3 We are a member of the BPAY scheme and we will inform you if we are no longer a member.
- 60.4 You can make BPAY payments through the BPAY scheme from a nominated account only if you have access to Bendigo e-banking or Bendigo Phone Banking.
- 60.5 We are not acting as your agent or the agent of the biller when we make a BPAY payment on your behalf.

61. Using the BPAY scheme

- 61.1 When you tell us to make a BPAY payment, you must provide us with the following information:
 - (a) the account from which the BPAY payment is to be debited;
 - (b) the BPAY biller code of the biller to be paid;
 - (c) the amount of the BPAY payment; and
 - (d) the biller customer reference number.
- 61.2 You acknowledge and accept that we are not obliged to effect a BPAY payment if you do not give to us all of the above information or give us inaccurate information.
- 61.3 We will then debit the account you specify with the amount of that BPAY payment.
- 61.4 We may decide not to make the BPAY payment if there are insufficient cleared funds in the specified account at the time you have told us to make that payment.

62. Payments

- 62.1 We may impose restrictions on the accounts from which a BPAY payment may be made or impose limits on the amount of BPAY payments.
- 62.2 We will not accept an instruction to stop a BPAY payment once you have instructed us to make that BPAY payment except for future dated payments which can be cancelled before the due payment date.
- 62.3 Billers who participate in the BPAY scheme have agreed that a BPAY payment you make will be treated as received by the biller to whom it is directed:

- (a) on the date that you make that BPAY payment, if you tell us to make the BPAY payment before our payment cut-off time on a business day (for payment cut-off times see clause 66);
- (b) on the next business day, if you tell us to make a BPAY payment after our payment cut-off time on a business day or on a non-business day; or
- (c) on the day or next business day, you have nominated for a scheduled payment to take place.

62.4 A delay may occur in the processing of a BPAY payment where:

- (a) there is a public or bank holiday on the day you tell us to make a BPAY payment;
- (b) you tell us to make a BPAY payment either on a day which is not a business day or after our payment cut-off time on a business day;
- (c) another financial institution participating in the BPAY scheme does not comply with its obligations under the BPAY scheme;
- (d) a biller fails to comply with its obligations under the BPAY scheme.

62.5 Although a delay in processing a BPAY payment is not expected to continue for more than one business day, you acknowledge and accept that a delay may continue for a longer period.

62.6 Regardless of when an immediate BPAY payment is made, the account from which you want us to debit the BPAY payment will be debited immediately.

62.7 If your BPAY payment has been made using a credit card, there are no chargeback rights available under the card. You must contact the Biller about any goods or services you may have agreed to acquire from the Biller and resolve the dispute directly with the Biller. Even if you have used a credit card to make a payment, you may still have rights under clause 63 or clause 67.

63. If the amount of a payment to a biller is incorrect

63.1 You must ensure that the information in relation to each BPAY payment is correct. If you discover that you have instructed us to make a payment to a biller for an incorrect amount:

- (a) if the amount you instructed us to pay is greater than the required amount, contact the biller for a refund;
- (b) if the amount is less than the required amount, you should make a further BPAY payment for the difference.

64. When a Biller cannot process a payment

64.1 If we are notified that your BPAY payment cannot be processed by a biller, we will:

- (a) notify you;
- (b) credit your account for the amount of the BPAY payment;

- (c) if you request, take all reasonable steps to assist you in making the BPAY payment as quickly as possible.

65. Suspension of BPAY

We may suspend your right to participate in the BPAY service at any time if you are suspected of acting in a fraudulent manner.

66. Cut-off times

66.1 If you instruct us to make a BPAY payment before the time specified below, it will in most cases be treated as having been made on the same day.

Cut-off times:

Monday – Friday 6.30pm (AEST / AEDT)

Saturday, Sunday and Public Holidays: processed next business day.

66.2 BPAY payments may take longer to be credited to a biller if you tell us to make a BPAY payment on a Saturday, Sunday or public holiday or if the biller does not process a payment as soon as they receive its details.

67. Liability for mistaken payments, unauthorised transactions and fraud

67.1 You must notify us immediately if:

- (a) you become aware that you may have made a mistake (except in relation to the BPAY payment amount – see clause 63.1) when instructing us to make a BPAY payment;
- (b) you did not authorise the BPAY payment from your account;
- (c) you believe the BPAY payment was not processed in accordance with your instructions (including delays);
- (d) you think you have been fraudulently induced to make a BPAY payment.

67.2 We will attempt to rectify any such matters in relation to your BPAY payment in the way described in this clause. If a BPAY payment is made on your account without your knowledge or consent, liability for that unauthorised BPAY payment will be determined in accordance with clause 59. Otherwise, except as set out in this clause, we will not be liable for any loss or damage you suffer as a result of using the BPAY scheme.

67.3 If a BPAY payment is made to a person or for an amount which is not in accordance with your instructions (if any), and your account has been debited with the amount of that payment, we will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount within 20 business days of us attempting to do so from the person who received the amount of that payment, you must pay us that amount and you authorise us to debit that amount from your account.

- 67.4 If a BPAY payment is made in accordance with a payment direction which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your account with the amount of that unauthorised payment. However, you must pay us the amount of that unauthorised payment, and you authorise us to debit that amount to your account, if:
- (a) we cannot recover that amount within 20 business days of us attempting to do so from the person who receives it; and
 - (b) the payment was made as a result of a payment direction which didn't comply with any requirements we may have for such payments directions.
- 67.5 If a BPAY payment is induced by the fraud of a person involved in the BPAY scheme, then that person should refund you the amount of the fraud induced payment. However, if that person does not refund the amount of the fraud induced payment, you must bear that loss (and you authorised us to debit that amount of the fraud induced payment to your account) unless some other person involved in the BPAY scheme knew of the fraud or would have detected it with reasonable diligence, in which case we will attempt to obtain a refund for you of the fraud induced payment.
- 67.6 If a BPAY payment you have made falls within the type described in clause 67.3 and also clause 67.4 or 67.5, then we will apply the principles set out in clause 67.4. If a BPAY payment you have made falls within both the types described in clauses 67.3 and 67.5, then we will apply the principles set out in clause 67.5.
- 67.7 If you tell us that a BPAY payment made from your account is unauthorised, you must first give us your written consent addressed to the biller who received that BPAY payment, consenting to us obtaining from the biller information about your account with that biller or the BPAY payment, including your customer reference number and such information as we reasonably require to investigate the BPAY payment. We are not obligated to investigate or rectify any BPAY payment if you do not give us this consent. If you do not give us that consent, the biller may not be permitted under law to disclose to us information we need to investigate or rectify that BPAY payment.
- 67.8 We are not liable for any consequential loss or damage you suffer as a result of using the BPAY scheme, other than loss or damage which is due to our negligence or a breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

Section I: BPAY View

This section applies if you use the BPAY View service.

68. About the BPAY View service

- 68.1 The BPAY View service is a feature of the BPAY system that allows you to receive bills and statements online. Bills and statements are delivered via email and you will receive a message when you log on to Bendigo e-banking. BPAY View is only available if you have access to Bendigo e-banking.

69. Registering/Deregistering for the BPAY View service

- 69.1 You need to register in order to use BPAY View. You register by logging on to Bendigo e-banking at www.bendigobank.com.au and follow the prompts. BPAY View is only available from the time we notify you of its availability. You must have a current valid email address to register for this service.

70. Protecting your PIN

- 70.1 The security of your PIN is very important. You must ensure that you:
- (a) keep your PIN secure and protected;
 - (b) do not tell anyone your PIN;
 - (c) do not record your PIN anywhere, in electronic or written form;
 - (d) do not select a PIN that is easily identified with you (e.g. your date of birth, your name or part of it or your phone number);
 - (e) do not select a PIN that is a common or easily guessed combination (e.g. repeated or consecutive numbers such as 5555 or 1234);
 - (f) do not provide your PIN to any person (including a family member or a friend);
 - (g) only install the Bendigo Bank app on a device which is and remains in your possession and secured by an access security feature which is only known by or unique to you such as a personal identification number, passcode, password or biometric login; and
 - (h) do not allow any unauthorised person to observe or hear your PIN.

71. Cancellation of BPAY View

- 71.1 Acting reasonably, we may cancel your access to BPAY View at any time without notice to you. Without limiting the circumstances in which we may cancel access, we may cancel access if:
- (a) we believe either your PIN is being used, or will be used, in a way that will cause loss to you or us;
 - (b) you breach any of these terms and conditions;
 - (c) you do not use Bendigo e-banking for six months; or

- (d) the security or quality of the service is threatened.

71.2 If we cancel your access to BPAY View we will notify you as soon as possible.

72. Nominating BPAY View Billers

72.1 You must nominate the BPAY View Billers you wish to receive bills and statements from and that you are entitled to receive that bill or statement. You can delete a BPAY View Biller from your list of nominated BPAY View Billers at any time. Deletion is effective immediately and the BPAY View Biller will be notified.

73. Collection and disclosure of personal information

73.1 You authorise us to disclose to the BPAY View Billers nominated by you:

- (a) such of your personal information (for example your name, email address and the fact that you are our customer) as is necessary to enable BPAY View Billers to verify that you can receive bills and statements electronically using BPAY View (or telling them if you cease to do so); and
- (b) that an event referred to in clauses 76(b), 76(c), 76(d), 76(e), 76(f) or 76(g) has occurred.

73.2 You authorise us or a nominated BPAY View Biller (as appropriate) to collect data about whether you access your emails, Bendigo e-banking and any link to a bill or statement.

74. Notice of bills or statements

74.1 If you register for access to BPAY View, you will receive bills and statements electronically and you agree that this satisfies the legal obligations (if any) of a BPAY View Biller to give you bills and statements. For the purpose of this clause we act as the agent for each BPAY View Biller nominated by you in providing the message or e-mail containing or linking to the bill or statement.

74.2 If you receive an email notifying you that you have a bill or statement, then that bill or statement is received by you:

- (a) when we receive confirmation that your server has received the email notification, whether or not you choose to access your email; and
- (b) at the email address nominated by you.

74.3 If you receive notification of a bill or a statement via a message when you log on to Bendigo e-banking (i.e. without an email) then that bill or statement is received by you:

- (a) when the notification is available through Bendigo e-banking, whether or not you choose to access Bendigo e-banking; and
- (b) at Bendigo e-banking.

74.4 Bills and statements delivered to you will remain accessible through Bendigo e-banking for the period determined by the BPAY View Biller, up to a maximum of 18 months. If you do not use Bendigo e-banking for six months we may determine that you are not actively using BPAY View and may delete all bills and statements at any time after making that determination.

75. Your obligations

You must:

- (a) contact the BPAY View Biller direct if you have any queries in relation to bills or statements;
- (b) check your emails or log on to Bendigo e-banking at least once a week;
- (c) tell us if you are unable to gain access to your email or Bendigo e-banking or a link to a bill or statement for any reason;
- (d) ensure your mailbox can receive email notifications (e.g. it has sufficient storage space available); and
- (e) tell us if your contact details (including email address) change.

76. Paper bills and statements

76.1 You may receive paper bills and statements from a BPAY View Biller instead of electronic bills and statements:

- (a) if you request a BPAY View Biller to provide paper bills and statements (a fee may be charged by the applicable BPAY View Biller for supplying the paper bill or statement to you if you ask for this in addition to the electronic form);
- (b) if you de-register from BPAY View;
- (c) if the BPAY View Biller ceases to participate in the BPAY scheme;
- (d) if we receive notification that your email mailbox is full, so that you cannot receive any email notification of a bill or statement;
- (e) if your email address is incorrect or cannot be found and/or your email is returned to us undelivered;
- (f) if we are aware that you are unable to gain access to your email or Bendigo e-banking or a link to a bill or statement for any reason; or
- (g) if any function necessary to facilitate BPAY View malfunctions or is not available for any reason for an extended period.

77. BPAY View billing errors

- 77.1 You agree that if a BPAY View billing error occurs:
- (a) you must immediately upon becoming aware of the BPAY View billing error take all reasonable steps to minimise any loss or damage caused by the BPAY View billing error, including contacting the applicable BPAY View Biller and obtaining a correct copy of the bill; and
 - (b) the party who caused the BPAY View billing error is responsible for correcting it and paying any charges or interest which would ordinarily be payable to the applicable BPAY View Biller due to any consequential late payment and as a result of the billing error.
- 77.2 You agree that for the purpose of this clause you are responsible for a BPAY View billing error if the BPAY View billing error occurs as a result of an act or omission by you or the malfunction, failure or incompatibility of any electronic equipment you are using at any time to participate in BPAY View.

Section J: Automatic payments

This section applies if you arrange for automatic payments to be made out of your account. Automatic payments are not available on all accounts. The Key Features Tables starting on page 4 indicate the accounts for which they are available.

78. Types of automatic payments

- 78.1 If you give us authority, we can have regular payments made automatically out of your account on pre-set dates, advised by you. This type of payment is called a "periodical payment", "direct debit" or "sweep facility".

The difference between these payment methods is:

- (a) we make periodical payments from your account to another account with us or with another financial institution or to a third party. To do this we need you to call into one of our branches to give us your instructions;
- (b) a company, organisation or fund, sends direct debits to your account according to an authority which you need to set up through the company, organisation or fund receiving the money, allowing us to make these payments;
- (c) a sweep facility allows us to transfer payment from your nominated account with us to a Bendigo Credit Card. To do this, we need you to call into one of our branches to give us your instructions;
- (d) we make a sweep payment from your account to another account with us. To do this, we need you to call into one of our branches to give us your instructions.

79. Arranging an automatic payment

- 79.1 If the automatic payment is a direct debit, the biller will supply you with a Direct Debit Request Service Agreement for you to complete and sign to provide them with this authority.
- 79.2 You can arrange a periodical payment or sweep facility at any time by coming into one of our branches. You are only required to visit a branch the first time you set up the facility.
- 79.3 You must give us the information we require to enable us to make an automatic payment. This information may include the BSB and account numbers, and account name of the accounts from and to which payments are to be made. You must check that all information you give to us is correct (including, but not limited to, the BSB and the account number). We do not check, and are not responsible for checking, that any information you give to us is correct, including whether the BSB and account numbers correspond to the account name which you advise us. You are liable for any payment we carry out in accordance with your instructions.

80. Timing of the automatic payment

- 80.1 If the automatic payment is a direct debit, the details regarding timing of the payment will be outlined in the Direct Debit Request Service Agreement your biller has supplied to you.
- 80.2 If the automatic payment is a periodical payment or sweep facility we will process the payment in accordance with our agreement with you at the time the periodical payment or sweep facility is established.
- 80.3 You must ensure that you have sufficient cleared funds available in your account from which a payment will be made, to enable that payment to be made. If the payment date falls on a day other than a business day, those funds must be available by 10.00am (AEST /AEDT) on the previous day.
- 80.4 If you have insufficient funds in your account, any direct debits may be returned unpaid (dishonoured) to the originating third party.
- 80.5 However we will attempt to make periodical payments from your account before 8.00am for three consecutive days. Another attempt will be made on the fourth day and if still unsuccessful, you will be notified in writing that no more attempts will be made and you should call into one of our branches to arrange payment.
- 80.6 To transfer payment via a sweep facility on the payment due date, only one attempt will be made and if unsuccessful you will be notified in writing that no more attempts will be made and you should call into one of our branches to arrange payment.
- 80.7 A fee will be debited to your account in these circumstances. Current fees and charges are set out in the Schedule of Fees, Charges and Transaction Account Rebates.
- If you have insufficient funds in your account on three consecutive payment due dates, the authority will be cancelled and you will be notified in writing.
- 80.8 Subject to these conditions, when you instruct us to make a payment to an account held with another financial institution, we will endeavour to make that payment to the BSB number and account number you advise us. If you give us instructions to make a payment on a business day after 10.00am (AEST / AEDT) on that business day, we may process that payment the following business day.

81. Liability

- 81.1 To the extent permitted by law and subject to any other provisions of these terms and conditions, we are not liable for any loss or damage you suffer as a result of using the automatic payment facility or any delay, omission or failure in respect of any payment. Without limitation, this includes, if you request us to make a payment to an account held with another financial institution:
- (a) any delay or failure to make a payment which results in a technical failure in the system we use to make a payment from your account with us to another financial institution; and
 - (b) any omission, delay or failure on the part of the other financial institution in processing that payment.

We do not exclude any liability to you for loss or damage to you arising directly from the fraud, negligence or wilful misconduct of us, our employees or agents or a receiver appointed by us.

- 81.2 If we debit or credit your account under an automatic payment arrangement we are not acting as your agent or the agent of another person. We are not liable for any loss or damage to you from us not acting as you require.

82. Migrating a direct debit arrangement to PayTo

If you have authorised a merchant or other third party to debit your account as a direct debit arrangement and the merchant or third party migrates the direct debit arrangement to PayTo, the direct debit arrangement will cease to be a direct debit arrangement and will instead be treated as a PayTo Payment Agreement (see Section L (PayTo) for more information about PayTo and Migrated DDRs).

Section K: Pay Anyone Service

This section applies if you use the Pay Anyone Service.

83. About the Pay Anyone Service

- 83.1 The Pay Anyone Service is an online service that allows you to transfer funds directly to accounts at financial institutions within Australia. You can only transfer funds using the Pay Anyone Service if you have access to Bendigo e-banking.
- 83.2 Once activated, you can use the Pay Anyone Service to arrange an immediate or future dated one-off transfer or to set up regular future dated transfers to accounts at financial institutions within Australia, but only where you have a valid BSB number and account number for the account you want to transfer to or a PayID which has been created and linked to the account.
- 83.3 We may decide not to process a Pay Anyone transfer, including future dated transfers, if there are insufficient funds available for withdrawal in the account to be debited on the relevant transfer date. We will notify you in Bendigo e-banking if this occurs.
- 83.4 We may also decide not to process a future-dated Pay Anyone transfer if you have instructed us to make the transfer using a PayID and, at the relevant transfer time, we become aware that the details registered for that PayID in the NPP Addressing Service have substantially changed since you instructed us or, in the case of recurring payments, since the previous transfer. We will notify you in Bendigo e-banking if this occurs.

84. Registering/Deregistering for the Pay Anyone Service

- 84.1 Contact 1300 236 344 to register for the Pay Anyone Service. On registration, you will be required to set a daily Pay Anyone limit. You can only register on the phone for a daily Pay Anyone limit up to \$50,000. For limits greater than \$50,000, you will be required to complete an application form available at your nearest branch.
- 84.2 You may deregister your access, or the access of an authorised user, to the Pay Anyone Service by contacting 1300 236 344. Your authorised user may deregister their access at any time without your consent.

85. Using the Pay Anyone Service

- 85.1 When you tell us to make a Pay Anyone transfer, you must provide us with the following information:
- (a) the account from which you want us to debit the Pay Anyone transfer;
 - (b) the correct account number of the person or business to whom you wish to transfer funds;
 - (c) the correct BSB number of the financial institution at which the account to whom you wish to transfer funds is held a PayID created

and linked to the account;

- (d) a payment reference (where applicable);
- (e) a payment description;
- (f) the amount of the Pay Anyone transfer.

- 85.2 You acknowledge and accept that we are not obliged to effect a Pay Anyone transfer if you do not give us all of the above information or give us inaccurate information.
- 85.3 You authorise us to debit the nominated account you specify with the amount of that Pay Anyone transfer.
- 85.4 Warning: Some banks do not cross check the account number with the account name, which may lead to your payment being placed into the wrong account, if you enter an incorrect account number. You must ensure that the account number is correct. We will not be liable for any loss as a result of you entering the wrong account number.
- 85.5 Pay Anyone transfers may be processed as a Direct Entry Payment or as an Osko Payment.
- 85.6 We may decide whether to process Pay Anyone transfers you request from your accounts as Direct Entry Payments or Osko Payments in our absolute discretion and you must not assume that Osko Payments will always be available or offered to you.

86. Payments

- 86.1 Acting reasonably, we may impose restrictions on the accounts from which a Pay Anyone transfer may be made or impose limits on the amount of Pay Anyone transfers.
- 86.2 We may decide not to make any payment if there is insufficient funds available for withdrawal in the specified nominated account to be debited on the due payment date.
- 86.3 A delay may occur in the processing of a Pay Anyone transfer where:
- (a) there is a public or bank holiday on the day you instruct us to make a Pay Anyone transfer;
 - (b) you instruct us to make a Pay Anyone transfer on a day which is not a business day or after our payment cut-off time on a business day (for payment cut-off times see clause 92).
- 86.4 Regardless of when an immediate Pay Anyone transfer is made, the account from which you want us to debit the Pay Anyone transfer will be debited immediately.
- 86.5 Pay Anyone transfers are irrevocable and once you have told us to make a Pay Anyone transfer it cannot be stopped or cancelled. You must therefore take care to ensure all information you give us in relation to a Pay Anyone transfer request is correct and complete.

86.6 Where we process a Pay Anyone transfer as an Osko Payment, the transfer will be processed, cleared and settled on a 24/7 near real-time basis.

86.7 Delays may occur in processing Osko Payments.

87. If a transfer amount is incorrect

87.1 You must ensure that the information you give us in relation to each Pay Anyone transfer is correct. If you discover that we have been instructed to make a transfer for an incorrect amount:

- (a) if the amount transferred is greater than the required amount, contact the person or business to whom the funds were transferred to obtain a refund for the excess;
- (b) if the amount transferred is less than the required amount, you can simply make a further Pay Anyone transfer for the difference.

88. Suspension of the Pay Anyone Service

88.1 We may suspend your right to use the Pay Anyone service at any time if you are suspected of acting in a fraudulent manner.

89. Limit reductions

89.1 We may reduce your Pay Anyone daily limit if you do not use any or part of your limit over a period of time. We will notify you in writing at least 30 days before taking such action.

90. Cut-off times

90.1 If you instruct us to transfer funds before the time specified below, the transfer will be processed overnight on that business day. Subject to the financial institution to whom the funds are being transferred, the payment will in most cases settle on the next business day.

Cut-off times:

Monday – Friday: 7.00pm (AEST / AEDT)

Saturday, Sunday and Public Holidays: processed next business day.

90.2 Pay Anyone transfers may take longer to be credited if you tell us to make a Pay Anyone transfer on a Saturday, Sunday or public holiday or if the financial institution does not process a payment as soon as they receive its details.

91. Liability for mistaken payments, unauthorised transactions and fraud

91.1 You must notify us immediately:

- (a) if you become aware that you may have made a mistake (except in relation to the Pay Anyone transfer amount - see clause 87 or paying funds to an Unintended Recipient – see clause 92), when instructing us to make a Pay Anyone transfer;
- (b) if you did not authorise the Pay Anyone transfer from your account;

(c) if you believe a Pay Anyone transfer was not processed in accordance with your instructions (including delays);

(d) if you think you have been fraudulently induced to make a Pay Anyone transfer.

91.2 We will attempt to rectify any such matters in relation to your Pay Anyone transfer in the way described in this clause. If a Pay Anyone transfer is made on your account without your knowledge or consent, liability for that unauthorised Pay Anyone transfer will be determined in accordance with clause 59. Otherwise, except as set out in this clause 91, we will not be liable for any loss or damage you suffer as a result of using the Pay Anyone Service.

91.3 We are not liable for any consequential loss or damage you suffer as a result of using the Pay Anyone Service other than any loss or damage which is due to our negligence or breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

92. Mistaken Internet Payments

92.1 In this clause, the following words have these specific meanings:

Mistaken Internet Payment means a ‘Mistaken Internet Payment’ under the ePayments Code or a ‘Mistaken Payment’ under the NPP Regulations.

Note: This relates to payments you make to an Unintended Recipient using the Pay Anyone Service where you enter an incorrect BSB or account number. It does not include payments made using BPAY or a Misdirected Payment under the NPP Regulations.

Other ADI means the authorised deposit-taking institution (as defined in the Banking Act 1959 Cth) of the Unintended Recipient.

Unintended Recipient means the recipient of funds as a result of a Mistaken Internet Payment.

92.2 This clause applies where you have made a Mistaken Internet Payment covered by the ePayments Code and the Other ADI subscribes to the ePayment Code or which was processed through NPP.

92.3 If you have made a Mistaken Internet Payment, you must notify us as soon as possible. We will investigate the matter and inform you (in writing) of the outcome within 30 business days from the date you notified us.

92.4 Without the consent of the Unintended Recipient, it may be possible to retrieve the funds from your Mistaken Internet Payment if:

- (a) you reported the Mistaken Internet Payment to us within seven months;
- (b) we decide that a Mistaken Internet Payment has occurred;

- (c) the Other ADI decides that a Mistaken Internet Payment has occurred; and
- (d) the Unintended Recipient has sufficient credit available in their account to retrieve the funds.

Note: If you report the Mistaken Internet Payment after 10 days but before seven months, the Unintended Recipient will be given an opportunity to establish that they are entitled to the funds.

- 92.5 With the consent of the Unintended Recipient, it may be possible to retrieve the funds from your Mistaken Internet Payment if:
- (a) both we and the Other ADI decide that a Mistaken Internet Payment has occurred but the Unintended Recipient does not have sufficient credit in their account;
 - (b) both we and the Other ADI decide that a Mistaken Internet Payment has occurred, but you reported the Mistaken Internet Payment after seven months; or
 - (c) the Other ADI decides (in their discretion) to seek the Unintended Recipient's consent to return the funds even if the Other ADI is not satisfied that a Mistaken Internet Payment has occurred.
- 92.6 If the Other ADI withdraws funds from the Unintended Recipient's account, they will return it to us. We will then return it to you as soon as possible.
- 92.7 You will be responsible for any of your losses following a Mistaken Internet Payment if:
- (a) both we and the Other ADI decide that no Mistaken Internet Payment has occurred; or
 - (b) in certain circumstances, the Unintended Recipient is able to establish that they are entitled to the funds; or
 - (c) the consent as described in clause 92.5 is not obtained from the Unintended Recipient.
- 92.8 You can complain to us about the way your report of a Mistaken Internet Payment is dealt with by contacting us at the Customer Feedback Team on telephone 1300 361 911 from 8:30am – 5.00pm (AEST / AEDT) Monday to Friday.
- 92.9 Alternatively you may contact our external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. Our external dispute resolution provider is the Australian Financial Complaints Authority and can be contacted at:
- GPO Box 3
Melbourne VIC 3001
Phone: 1800 931 678
Website: www.afca.org.au
Email: info@afca.org.au
- 92.10 We are not liable for any consequential loss or damage you suffer as a result of using the Pay Anyone internet banking facility other than any loss

or damage which is due to our negligence or breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

- 92.11 Where you are the recipient of a Mistaken Internet Payment, you authorise us to withdraw the funds relating to that Mistaken Internet Payment from your account if we are required under the ePayment Code to recover those funds from you and return them to the payers authorised deposit taking institution.

93. Incorrect Account Number

- 93.1 When we process your Pay Anyone transfer, we process the Pay Anyone transfer based on the BSB and account number you provide. **WARNING: We do not cross check the account number with the account name or reference you provide us.**

- 93.2 If your Pay Anyone transfer is to another financial institution, your Pay Anyone transfer may also be processed on the BSB and account number provided as not all financial institutions cross check account numbers and names.

Example 1: You want to send a Pay Anyone transfer to Mr Citizen's account, being BSB 001 012 Account Number 123456 however you type in BSB 001 012 Account Number 123465, the payment will be made into account number 123465 instead of Mr Citizen's account.

Example 2: You want to send a Pay Anyone transfer to Mr Citizen's account, being BSB 001 012 Account Number 123456 however you type in BSB 001 021 Account Number 123456, the payment will be made into account number 123456 at BSB 001 021 instead of BSB 001 012.

- 93.3 It is vital that you include the correct account number and BSB.

94. Pay ID

- 94.1 In our discretion, we may allow you to create a PayID for your account so that NPP Payments can be made to your account using the PayID instead of the BSB and account number.
- 94.2 Creating a PayID is optional. We will not create a PayID for your account without your consent.

Creating a PayID

- 94.3 You may create a PayID for your account by contacting us. Depending on your circumstances, we may also allow you to create a PayID in e-banking.
- 94.4 You may only create a PayID for your account if:
- (a) we are able to verify your identity in a manner that is satisfactory to us;
 - (b) you own or are authorised to use the PayID;
 - (c) the PayID is not likely to be misleading as to who the account holder for the account is; and

- (d) creating the PayID will not infringe on the intellectual property rights of any person.
- 94.5 We may refuse to allow you to create a PayID for any reason, including where we have not been able to satisfactorily verify your identity or we are not satisfied that you own or are authorised to use the PayID you are trying to create or we are not satisfied that creating the PayID will not infringe the intellectual property rights of any person.
- 94.6 By creating a PayID for your account:
- (a) you assure us that you own or are authorised to use the PayID;
- (b) you agree to immediately notify us if any of the information you provide to us when creating the PayID changes or becomes incorrect or misleading;
- (c) you acknowledge that the PayID and information relating to you and the account the PayID is linked to (including the account name, BSB and account number) will be registered in the NPP Addressing Service operated by NPP Australia Limited; and
- (d) you consent to:
- i. us disclosing your personal information and the other information you provide to us to NPP Australia Limited as necessary to create the PayID in the NPP Addressing Service;
 - ii. third parties, such as NPP Australia Limited and other financial institutions that connect to or use the NPP, collecting, storing, using and disclosing that information (including your name and account details) in accordance with the NPP Regulations and NPP Procedures and as necessary for purposes related to NPP Payments to you or your account. Without limiting the last sentence, you acknowledge that the account name associated with your account, or a summary of it, may be disclosed to any person that initiates a NPP Payment using the PayID and
 - iii. third parties such as NPP Australia Limited and other financial institutions that connect to or use the NPP, accessing your PayID information for the purposes of creating and sending PayTo Payment Agreement creation requests to us to seek your authorisation and for the purposes of sending PayTo Payment requests, in connection with an authorised Payment Agreement, to us for processing from your Account.
- 94.7 The types of PayIDs we allow you to create and link to your account may differ depending on your circumstances and the type of account you have.
- 94.8 More than one PayID can be created and linked to an account provided that each PayID is unique.
- 94.9 When creating a PayID we will automatically provision a PayID name that is substantially representative of the account.
- Transferring a PayID from or to another account**
- 94.10 You can transfer a PayID created and linked to one account with us or another financial institution to another account with us or another financial institution. However, you cannot transfer a PayID while it is locked (see 94.16).
- 94.11 If you want to transfer a PayID you have created for one account with us to another account with us or another financial institution, you can do so by contacting us and requesting that we transfer the PayID. We will action your request within one business day unless we agree another time period with you. A transfer of your PayID to another institution is completed by that institution.
- 94.12 If you want to transfer a PayID that has been created and linked to an account at another institution to an account with us, you must first contact the other financial institution to tell them you want to transfer the PayID and then create the PayID with us.
- Updating, locking and closing a PayID**
- 94.13 You can request that we update or close a PayID that has been created and linked to your account at any time by contacting us.
- 94.14 You must promptly notify us if, at any time, you cease to own or be authorised to use a PayID created and linked to your account or if any of the information you give us when the PayID is created changes, and request that we update or close the PayID.
- 94.15 We will action a request from you to update or close a PayID within one business day unless we agree another time period with you.
- 94.16 We may, if we have reasonable grounds for doing so, lock or close a PayID created and linked to your account at any time without prior notice to you. Without limitation, this includes where we suspect you created the PayID or are using the PayID in connection with fraudulent or illegal activity.
- 94.17 If your PayID is locked, you can request that it be unlocked by contacting us. If a PayID is closed it must be re-created before it can be used again.

PayID disputes

- 94.18 If a PayID cannot be created for your account because it has already been created and linked to another account by someone else we can lodge a dispute. However, there is no guarantee that the dispute will be resolved in your favour or result in you being able to create the PayID for your account. We will promptly notify you of the outcome of the dispute.

Liability for PayID

- 94.19 To the maximum extent permitted by law, we are not liable to you for any loss or damage you suffer as a result of:
- (a) PayID being created and linked to your account or you using or attempting to use a PayID that has been created and linked to your account;
 - (b) us refusing to create a PayID or any delay in a PayID being created and linked to your account;
 - (c) us locking or closing a PayID that has been created and linked to your account; or
 - (d) any failure or malfunction of the NPP (including the NPP Addressing Service) or any of our systems or procedures that use or connect with the NPP.

We do not exclude any liability to you for loss or damage to you arising directly from the fraud, negligence or wilful misconduct of us, our employees or agents or a receiver appointed by us.

Section L: PayTo

This 'PayTo' section applies in relation to your use or attempted use of PayTo and any Payment Agreement that is created for an account, and related PayTo Payments, when we begin to offer PayTo, if PayTo is available for your account. The Key Features Tables starting on page 4 indicate the accounts for which PayTo is available.

PayTo allows payers to approve Payment Agreements with Merchants or Payment Initiators who offer PayTo as a payment option.

95. Pay To Definitions

In this section and clause 94 (PAYID), the following definitions apply:

"Migrated DDR" means A Payment Agreement created by a Merchant or Payment Initiator to process payments under an existing direct debit arrangement as PayTo Payments instead of through the direct debit system – see the 'Migration of Direct Debit arrangements' clause below.

"Mandate Management Service (MMS)" means The Mandate Management Service being a central, secure database of Payment Agreements operated by NPP Australia Limited.

"Merchant" means a merchant with which you have, or would like to have a Payment Agreement

"NPP" means the New Payments Platform operated by or on behalf of NPP Australia Limited

"NPP Payment" means a payment cleared and settled via the NPP.

"PayTo Agreement or Payment Agreement" means an agreement created by an approved Merchant or Payment Initiator in the Mandate Management Service by which you authorise us to make payments from your account or a Migrated DDR

"Payment Initiator" means an approved payment service provider who, whether acting on behalf of you or a Merchant, is authorised by you to initiate payments from your account.

"PayTo" means the NPP functionality which enables us to process NPP Payments from your account in accordance with and on the terms set out in a Payment Agreement.

"PayTo Payment" means an NPP Payment we make pursuant to a Payment Agreement.

96. Creating a Payment Agreement

- 96.1 You can set up a Payment Agreement with a Merchant or Payment Initiator that offers PayTo as a payment option by providing the Merchant or Payment Initiator with a PayID you have created for your account (see clause 94 'PayID' above) or the BSB and account number for your account. You are responsible for ensuring that the PayID or BSB and account number you provide for the purpose of establishing a Payment Agreement are correct. Any personal information or data you provide to the Merchant or Payment Initiator will be subject to the privacy policy and terms and conditions of the relevant Merchant or Payment Initiator.
- 96.2 If you agree to setup a Payment Agreement with a Merchant or Payment Initiator, they will create the Payment Agreement in the Mandate Management Service through their financial institution or payments processor and we will be notified.
- 96.3 After we receive notification that a Payment Agreement has been created for your account, we will notify you with the details of the Payment Agreement and ask you to confirm your approval of the Payment Agreement. You may approve or decline any Payment Agreement in your discretion and we will record whether you approved or declined the Payment Agreement in the Mandate Management Service.
- 96.4 If a Payment Agreement required your confirmation within a timeframe stipulated by the Merchant or Payment Initiator, and you do not provide confirmation within that timeframe, the Payment Agreement may be withdrawn by the Merchant or Payment Initiator.

96.5 If you think the payment amount, frequency or any other detail presented in a Payment Agreement is incorrect, you should decline the Payment Agreement and contact the relevant Merchant or Payment Initiator to have them resubmit a new Payment Agreement with the correct details.

96.6 By approving a Payment Agreement, you:

- 96.6.1. authorise us to collect, use and store your name and account details and other details about you and the Payment Agreement from and in the Mandate Management Service; and
- 96.6.2. acknowledge that these details may be disclosed to NPP Australia Limited (who operates the Mandate Management Service) and the financial institution or payment processor for the Merchant or Payment Initiator for the purposes of creating payment instructions and constructing NPP Payment messages, enabling us to make PayTo Payments from your account and for related purposes; and
- 96.6.3. consent to us, other financial institutions and payment processors, NPP Australia Limited, Merchants and Payment Initiators using and disclosing such of your personal information as is contained in a Payment Agreement record in the Mandate Management Service as contemplated by the NPP regulations and procedures.

97. Payments

By authorising a Payment Agreement you instruct us to make PayTo Payments from your account in accordance with the Payment Agreement each time a PayTo Payment is requested by the Merchant or Payment Initiator who is a party to the Payment Agreement or their financial institution or payment processor.

It is your responsibility to ensure you have sufficient funds in your account to process each PayTo Payment. We are not required to make a PayTo Payment if there are insufficient cleared funds in your account at the time the PayTo Payment is requested.

98. Amending a Payment Agreement

We are not able to amend any other terms of the Payment Agreement including the details of the Merchant or Payment Initiator.

98.1 A payment Agreement can be amended from time to time by the Merchant or Payment Initiator. If a Merchant or Payment Initiator seeks to amend a Payment Agreement, we will notify you of the amendment and request that you approve or decline the amendment. We will record whether you approved or declined the Payment Agreement amendment request in the Mandate Management Service.

98.2 If you think the payment amount, frequency or any other detail presented in a Payment Agreement amendment request we provide to you for approval is incorrect, you should decline the amendment request and contact the relevant Merchant or Payment Initiator to have them resubmit a new amendment request with the correct details. We cannot change the details in an amendment request.

98.3 If you do not respond to a Payment Agreement amendment request within five calendar days it will expire and it will be treated as being declined by you.

98.4 We will record whether you approve or decline a Payment Agreement amendment request in the Mandate Management Service.

98.5 If you approve a Payment Agreement amendment request, the amendment will be effective once we record your approval in the Mandate Management Service.

98.6 If you decline a Payment Agreement amendment request, the Payment Agreement will not be affected by the amendment request and will continue as if the amendment request had not been submitted.

99. Pausing or resuming a Payment Agreement

99.1 You can pause a Payment Agreement, or resume a paused Payment Agreement, in Bendigo e-banking or by contacting us. We will promptly act on your instruction to pause or resume a Payment Agreement by updating the Mandate Management Service. The Merchant or Payment Initiator who is a party to the Payment Agreement will be notified each time you pause or resume a Payment Agreement.

99.2 A Payment Agreement may also be paused or resumed by the relevant Merchant or Payment Initiator. We will notify you each time a Payment Agreement is paused or resumed by the Merchant or Payment Initiator.

99.3 We may also pause any Payment Agreement that has been setup using a PayID if the PayID is locked or closed. If we do, we will resume the Payment Agreement once the PayID is unlocked or we obtain instructions from you that otherwise enables the Payment Agreement to be resumed (unless the Payment Agreement has since been cancelled). We will notify you if we pause or resume a Payment Agreement and the Merchant or Payment Initiator associated with the Payment Agreement will also be notified each time we pause or resume a Payment Agreement.

99.4 While a Payment Agreement is paused, we will not process any PayTo Payment requests we receive pursuant to the Payment Agreement. PayTo Payments will resume once a paused Payment Agreement is resumed.

Warning! Although pausing a Payment Agreement will stop related PayTo Payments being made from your account, doing so may breach the terms of your agreement with the relevant Merchant or Payment Initiator or you may be required to make payment in some other way. We suggest that you ensure you understand the consequences of pausing a Payment Agreement before you do so and, if necessary, contact the relevant Merchant or Payment Initiator.

99.5 We will not be liable to you or any other person for any loss that you or any other person suffers as a result of a Payment Agreement being paused by you or the Merchant or Payment Initiator.

100. Transferring a Payment Agreement

It is not currently possible to transfer a Payment Agreement between accounts with us or another financial institution. If you want to change a Payment Agreement, including to change it from one account to another, you will need to contact the Merchant or Payment Initiator through whom the Payment Agreement was set up.

101. Cancelling a Payment Agreement

101.1 You can cancel a Payment Agreement at any time in Bendigo e-banking or by contacting us. We will promptly act on your instruction to cancel a Payment Agreement by updating the Mandate Management Service. The Merchant or Payment Initiator associated with your Payment Agreement will then be notified that you have cancelled the Payment Agreement.

101.2 A Payment Agreement may also be cancelled by the relevant Merchant or Payment Initiator. We will notify you if a Payment Agreement is cancelled by the Merchant or Payment Initiator.

101.3 We may also cancel any Payment Agreement that has been setup using a PayID if the PayID is closed, unless we agree otherwise with you. We will notify you if we cancel a Payment Agreement and the Merchant or Payment Initiator associated with the Payment Agreement will also be notified that the Payment Agreement has been cancelled

101.4 We will not process any PayTo Payment requests we receive from the Merchant or Payment Initiator pursuant to a Payment Agreement after it has been cancelled.

Warning! Although cancelling a Payment Agreement will stop related PayTo Payments being made from your account, doing so may breach the terms of your agreement with the relevant Merchant or Payment Initiator or you may be required to make payment in some other way. We suggest that you ensure you understand the consequences of cancelling a Payment Agreement before you do so and, if necessary, contact the relevant Merchant or Payment Initiator.

101.5 We will not be liable to you or any other person for any loss that you or any other person suffers as a result of a Payment Agreement being cancelled by you or the Merchant or Payment Initiator.

102. Migration of Direct Debit arrangements

102.1 If you have an existing direct debit arrangement with a Merchant or a Payment Initiator, the Merchant or Payment Initiator may choose to create a Payment Agreement for the direct debit arrangement to process payments as PayTo Payments instead of through the direct debit system

102.2 . If a Merchant or a Payment Initiator does this, you will receive notice from them that your future payments will be migrated to PayTo and you will then have the option of telling the Merchant or Payment Initiator that you do not consent.

102.3 If you do not advise the Merchant or Payment Initiator that you do not consent to your direct debit arrangement being migrated to PayTo, the Merchant or Payment Initiator may create a Payment Agreement in the Mandate Management Service that reflects the terms of your direct debit service agreement and the Payment Agreement will be deemed to have been approved by you. We will not seek your approval of a Payment Agreement that relates to a migrated direct debit arrangement.

102.4 Once the Payment Agreement has been created by the Merchant or Payment Initiator, you and the Merchant or Payment Initiator will be able to amend, pause and resume and cancel a Payment Agreement that has been established to migrate a direct debit arrangement, and you will be able to transfer the Payment Agreement, in the same way as any other Payment Agreement as set out above

102.5 By permitting the creation of a Payment Agreement for a direct debit arrangement (by not contacting the Merchant or Payment Initiator and telling them that you do not consent), you:

102.5.1. authorise us to collect, use and store your name and account details and other details about you and the Payment Agreement from and in the Mandate Management Service;

102.5.2. acknowledge that these details may be disclosed to NPP Australia (who operates the Mandate Management Service) and the financial institution or payment processor for the Merchant or Payment Initiator for the purposes of creating payment instructions and constructing NPP Payment messages, enabling us to make PayTo payments from your account and for related purposes; and

102.5.3. consent to us, other financial institutions and payment processors, NPP Australia Limited, Merchants and Payment Initiators using and disclosing such of your personal information as is contained in a Payment Agreement record in the Mandate Management Service as contemplated by the NPP regulations and procedures.

103. General PayTo Obligations

103.1 We will accurately reflect all information you provide to us in connection with a Payment Agreement in the Mandate Management Service. You must:

 - anything which infringes the intellectual property rights of any person; or
 - anything which is illegal or seeks to promote illegal activity;
- 103.1.4. comply with all applicable laws in connection with your use of PayTo;
- 103.1.5. promptly consider, action and respond to any Payment Agreement creation request, amendment request or other notification we send you (if you use the Bendigo Bank app, we recommend that you allow notifications from it on your device to ensure that you promptly receive and are able to

respond to such requests and notifications in a timely way);

- 103.1.6. immediately notify us if you no longer hold or have authority to operate the account from which payments under a Payment Agreement you have approved or permitted to be created are being or are to be made;
- 103.1.7. promptly notify us if you receive a Payment Agreement creation request or amendment request or become aware of PayTo Payments being processed from your account that you are not expecting, or experience any other activities that appear suspicious or erroneous;
- 103.1.8. promptly notify us if you become aware of a PayTo Payment being made from your account that is not permitted under the terms of your Payment Agreement or that was not authorised by you; and
- 103.1.9. comply with any direction we give you where doing so is necessary for us to comply with our obligations relating to PayTo including under the NPP regulations and procedures.

103.2 You are responsible for complying with the terms of any agreement that you have with the Merchant or Payment Initiator who is a party to a Payment Agreement (including any payment and notice giving obligations or termination requirements) and for dealing with the Merchant or Payment Initiator in relation to any concerns or complaints you have in relation to any goods or services relating to the Payment Agreement.

103.3 From time to time, we may request that you confirm that one or more of your Payment Agreements are accurate and up-to-date. You must promptly action and respond to any such request. If you fail to do so, we may pause the relevant Payment Agreement(s).

103.4 We may monitor your Payment Agreements for misuse, fraud and security reasons. You acknowledge and consent to us pausing or cancelling all or some of your Payment Agreements if we reasonably suspect misuse, fraud or security issues. We will promptly notify you if we pause or cancel a Payment Agreement for these purposes but only if we are legally permitted to do so. You must promptly respond to any notification that you receive from us regarding the pausing or cancellation of a Payment Agreement for misuse, fraud or for any other reason.

103.5 If you notify us of a PayTo Payment being made from your account that is not permitted under the terms of your Payment Agreement or that was not authorised by you and submit a claim, we will respond to your claim within 10 business days and, if the claim is founded, we will refund the PayTo Payment to your account.

104. Liability for PayTo

To the maximum extent permitted by law, we will not be liable to you or any other person for any loss suffered as a result of:

- processing payments under a Payment Agreement which you have approved or are deemed to have approved;
- you failing to properly consider or promptly respond to any Payment Agreement creation request or amendment request we send you;
- you failing to properly consider and action any notification we send you in relation to any Payment Agreement;
- you or a Merchant or Payment Initiator pausing, resuming or cancelling a Payment Agreement; or
- any delay or failure in respect of a Payment Agreement or a PayTo Payment being processed due to the unavailability or failure of the Mandate Management Service,

except to the extent such loss is caused by us failing to comply with our obligations relating to PayTo under these Terms and Conditions.

We do not exclude any liability to you for loss or damage to you arising directly from the fraud, negligence or wilful misconduct of us, our employees or agents or a receiver appointed by us.

Section M: Confirmation of Payee service

105. Using the Confirmation of Payee service when making a payment

105.1 If you make a payment using a BSB and account number, we may use the Confirmation of Payee service to provide you with a view on the likelihood that the account name you have entered matches the account you are paying to.

105.2 If we indicate to you that the Confirmation of Payee service result does not match and we allow you the option of proceeding with the payment, you should check the account details with the intended recipient before proceeding with the payment. We may decline to process a payment where the Confirmation of Payee service result does not match and we consider it reasonably necessary to do so to avoid you or us suffering loss or being victim to fraud or a scam.

105.3 At all times it remains your responsibility to ensure that the BSB and account number you are using to make a payment are correct irrespective of any Confirmation of Payee service match result we share with you and your liability for payments will not be affected by any Confirmation of Payee match result we share with you.

105.4 You must not misuse the Confirmation of Payee service or try to use it in breach of these terms and conditions or for any purpose other than confirming the name for the account you intend on making a payment to.

105.5 Without limiting any other right we have under these terms and conditions, we may limit or suspend your ability to make payments or use a payment facility or access method if we reasonably believe you are misusing the Confirmation of Payee service in breach of these terms and conditions.

106. Sharing your account details through the Confirmation of Payee service

106.1 We'll ensure your account details, including your name, are accurately recorded by us (based on the information you have provided to us and any verification we have undertaken) for the use of the Confirmation of Payee service.

106.2 You must promptly notify us of any changes to your name and provide us with any evidence of your name change that we reasonably request.

106.3 You authorise and consent to:

- us using and disclosing your account details (including your name) with the Confirmation of Payee service;
- us and other financial institutions who process payments to or from your account using the related transaction details (including any name included with a payment instruction) with the Confirmation of Payee service;
- payers' financial institutions using and disclosing your account details (including your name) for the purposes of the Confirmation of Payee service and prior to making payments to you; and
- your account details (including your name) and transaction details being disclosed, stored and used in connection with the Confirmation of Payee service in accordance with the industry rules, regulations and procedures that apply to the Confirmation of Payee service.

107. Opt-out requests

107.1 You may request that we withhold from sharing your account details with the Confirmation of Payee service for an account if there are special circumstances and it is reasonably necessary to

withhold your account details to protect your safety or security (an opt-out request). We will only agree to an opt-out request if we agree that special circumstances exist and it is reasonably necessary to protect your safety or security.

107.2 If we agree to an opt-out request:

- payers may not be able to confirm your account details through the Confirmation of Payee service when making payments to your account;
- we may still disclose your account details (including your name) to other financial institutions through the Confirmation of Payee service to facilitate their fraud checking processes (but they will not share your details with payers);
- we may still disclose your account details (including your name) through the Confirmation of Payee service for them to be shared with some government agencies to confirm your identity in relation to payments they are making to you;
- financial institutions who process payments to or from your account may still use the related transaction details (including any name included with a payment instruction) with the Confirmation of Payee service; and
- you can request to opt your account back in to sharing your account details with the Confirmation of Payee service at any time.
