Date from which this target market determination is effective

04 March 2026

1. Target market for this product

Target Market

The retail clients for whom this product has been designed are individuals who:

- want a low-risk at call deposit account specified in a foreign currency account;
- want to invest at least the minimum amount of funds (minimum deposit is set out according to currency selected).

Product Description

A Bendigo Bank Foreign Currency At Call Deposit Account is a deposit account that allows a retail client to deposit a minimum foreign currency amount (minimum deposit is set by currency type) for access at call.

Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above include:

Attribute	Appropriate for
Eligibility	Retail clients who are Bendigo Bank customers who meet the anti-money laundering and counter terrorism financing legislation requirements and hold an existing Australian dollar account with Bendigo Bank in the same name / title.
Earn interest	Retail clients who want a low risk At Call Deposit Account product that may earn interest. The interest rate varies depending on the currency and at call activity of the account. From time to time the interest rate of a currency may become zero or a negative rate. If the interest rate is zero, the retail client will not earn interest on the account. If the interest rate falls below zero, the retail client will not earn interest but instead may have to pay Bendigo Bank an amount.
Access to funds	Retail clients who want access to their foreign currency funds through Bendigo's Financial Markets Dealing room.

Attribute	Appropriate for
Investment in choice of foreign currency	Retail clients can invest in a choice of currencies. Refer to Bendigo Bank's Financial Markets Dealing room for details about which currencies are currently available for this product.
Fees and Charges	Retail clients willing to pay fees and charges (including telegraphic transfer fees, stop-payment fees and other fees and charges as outlined in the Product Disclosure Statement).
Minimum deposit amount of investment	Retail clients who have a minimum investment amount for a specific currency equivalent to A\$10,000 on the day of account opening (unless Bendigo Bank agrees otherwise).

2. How this product is to be distributed

Bendigo Bank applies certain conditions and restrictions to the distribution of this product so that distribution is likely to be to retail clients within the target market for this product. The conditions and restrictions are:

Channel	<p>This product is to be distributed only through the following channels:</p> <ul style="list-style-type: none"> • Bendigo Financial Markets Dealing room.
Additional conditions or restrictions	<p>The following additional conditions and restrictions also apply to the distribution of this product:</p> <ul style="list-style-type: none"> • only prospective retail clients who meet minimum eligibility criteria for the product should submit an application for this product; • this product can only be issued to retail clients after the application a process is complete; and • this product can only be issued (or arranged to be issued) by persons who are trained and accredited.

3. Reviewing this target market determination

Bendigo Bank will review this TMD as set out below:

Initial review	Within the first year of the effective date.
Periodic reviews	At least every 24 months from the initial review.
Review triggers or events	<p>Any event or circumstances arising that would reasonably suggest the TMD is no longer appropriate. This may include (but is not limited to):</p> <ul style="list-style-type: none"> • a material change to the design or distribution of the product, including related documentation; • occurrence of a significant dealing; • distribution conditions found to be inadequate in ensuring that the product is issued to retail clients who are likely to be in the target market;

- relevant changes in the law or its application, a change in an industry code or decision of a court or other body (including through regulatory guidance) that materially affects the product;
- significant changes in metrics, including, but not limited to:
 - a material increase in the number of complaints in relation to a product or aspect of a product; and
 - an increase in early termination of the product; and
- any other event occurs, or information is received that reasonably suggests this TMD is no longer appropriate.

Review triggers are monitored monthly. Where a review trigger occurs, it will be reviewed within 10 business days of the end of the reporting period.
