1. Target market for this product

Target Market

The retail clients for whom this product has been designed are customers who:

- have an existing foreign exchange exposure and now want to modify that exposure to a different Value Date.

Product Description

A Bendigo Bank Foreign Exchange Swap (FX Swap) is an agreement to exchange one currency for another at an agreed rate on an agreed date and to re-exchange those two currencies at a later date at an agreed rate. It may help consumers manage cash flow timing differences in their currency exposure. FX Swaps can be used to either bring forward or push back a foreign exchange exposure. FX Swaps may also be used to manage business working capital by providing access to surplus foreign currency, mitigating foreign exchange translation risk.
