24-hour Emergency Hotline

When you have an emergency overseas

If you have any difficulties while you are travelling, call our Emergency Assistance Hotline and speak with one of our expertly trained, multilingual staff.

You can contact our assistance team 24 hours a day, 7 days a week.

The numbers to call are on the back cover of this PDS.

Please advise your policy number and contact details when you call or email.

The Emergency Assistance Hotline, provided on our behalf by First Assistance, is for emergencies only. For all other claims, please contact CGU upon your return to your home in Australia.

Our team can assist you with travel information and advice, including pre-trip information. In medical cases we can help you locate facilities, monitor your condition and relocate you or bring you home if medically needed.

If you are hospitalised, you or a member of your travelling party, must contact us as soon as reasonably possible. You must also contact us if you are being treated as an outpatient and the total cost of such a treatment will exceed \$2,000. If any costs or expenses are incurred without our approval and before contacting us, we will only cover such costs or expenses or for any evacuation/repatriation or airfares if we would have approved them up to an amount we would have otherwise incurred had contact been made and approval provided.

In addition, we can help you locate embassies and consulates around the world, and can provide:

Emergency travel assistance — getting you access to travel information, and referring you to travel agents for airline and hotel reservations.

Medical assistance — you can speak with a medical professional about your medical requirements, 24 hours a day.

Medical monitoring — we will organise for the continued monitoring of your medical condition by a First Assistance medical officer.

Medical referral — we will provide names and addresses of suitable doctors, hospitals, clinics and dentists when consultations or minor treatment are required.

Lost luggage or travel documents — we can put you in contact with the relevant authorities and help with replacement and/or recovery when the usual channels have failed.

Legal referral — if you need legal advice, we can put you in touch with an embassy, consulate or alternative source.

Message line — in an emergency we can pass on messages to your relatives or business associates if medical or travel problems disrupt your travel.

When you insure with us we will confirm your premium, any excesses that apply, optional covers you have chosen and the period of cover of the policy. All this will be set out in the Certificate of Insurance that we issue to you.

There are terms and conditions as well as some limitations and certain exclusions that apply to specific parts of your policy. To fully understand what your policy covers, please read the relevant sections of the PDS for the full details.

Who we Cover

The cover applies to the person or persons listed as adults on the Certificate of Insurance and includes accompanying dependent children.

Where more than one person is listed as an adult on the Certificate of Insurance all benefits, limitations, conditions and exclusions will be interpreted as if a separate policy was issued to each of the persons listed as an adult other than:

- where claims are made arising from one event, an excess (if applicable) will only be applied once, and
- in the case of luggage item limits, which apply to each item.

Plans

You have the choice of which plan best suits you. In choosing this policy it is important that you select all countries you will be travelling to, as your premium is based on this.

You can also select an Annual Multi-Trip Plan, offering the same comprehensive cover as the Gold Plan, which covers unlimited trips within any one period of insurance of 12 months. The maximum length of each trip is nominated when taking out the policy. All sums insured for the Annual Multi-Trip Plan are per trip.

We have 4 international and 2 domestic Plans to choose from:

International

Gold Plan	Our top comprehensive cover
Silver Plan	An intermediate cover
Bronze Plan	Covering the basics
Annual Multi-Trip Plan	Cover under the Gold Plan for multiple international trips

Australian

Domestic Plan	Designed for travel in Australia
Cancellation Only Plan	Cover for pre-paid travel expenses for travel in Australia

Our Ski and Winter Sports Option and Specified Luggage Items cover are available on all Plans except the Cancellation Only Plan, while the Cruise Cover Option is available on all International Plans.

1A Unforeseen Cancellation

We will cover any amount you have paid in advance for travel and accommodation arrangements that are unused and you are unable to recover in any other way, less any refunds due to you, if your trip is cancelled at any time, through circumstances beyond your control that you did not expect or intend and that we agree to cover, including:

- take safe and reasonable steps to prevent any further loss, damage or liability occurring

How to Take out Insurance

How to Apply for Insurance

If you would like to take out a policy with us, please follow these steps.

1. Choose a plan that will suit your needs

- **Gold Plan** – comprehensive travel insurance for international travel
- **Silver Plan** – intermediate travel insurance for international travel
- **Bronze Plan** – basic travel insurance for international travel
- **Annual Multi-Trip Plan** – cover under the Gold Plan for multiple international trips

- **Australian Plan** – for travel within Australia only

We will not cover any medical, hospital, dental or ancillary expenses incurred in Australia or for which we are prevented from paying due to any statutory legislation or government regulation.

You also may not be covered by Medicare or your private health fund if you are cruising in Australian coastal waters. To be covered for medical and related expenses when cruising you must select an international Plan with the Cruise Cover Option.

- **Cancellation Plan** – travel insurance to cover cancellation costs only for travel in Australia.

2. Select the number of travellers

Select the number of travellers.

Dependent children, under 21 years of age, travelling with you are automatically covered.

We can offer cover for a child travelling alone but the adult rate is payable for each child, and the policy must be purchased by a parent or legal guardian.

3. Cover for pre-existing medical conditions

If you have a pre-existing medical condition that is not automatically covered under this policy you can complete a medical assessment to apply for additional cover (refer to pages 4-6 for more information).

Any traveller, including any dependent children travelling with you, that has a pre-existing medical condition will also need to complete a medical assessment to be assessed for the additional cover.

4. Apply online or by contacting us or your insurance adviser

We will provide you with a premium estimate based on the plan that you choose.

Your premium may be higher if you change the cover or add additional cover.

5. Take out your policy

Take out your policy by paying your premium. We will issue you with a policy that is made up of your Certificate of Insurance and this Product Disclosure Statement (PDS) plus any Supplementary PDS we may issue.

How to Extend your Policy

If you need to extend your trip because of an incident we have agreed to cover, we will automatically extend your period of insurance and continue to cover you free of charge, up until you can reasonably complete your trip.

If you decide to extend your trip for other reasons you can apply for an extension of your policy by contacting us at least 5 business days prior to the expiry date of your original policy or a previous extension.

Extension of cover is subject to our approval and your payment of any additional premium. Where we have agreed to extend cover we will issue you with a new Certificate of Insurance. The period of insurance on your new Certificate of Insurance, when added to the period on your original Certificate of Insurance and any previous extensions, cannot exceed a combined maximum period of 24 months.

You must tell us of any claims made or pending, as well as any factors that could lead to a claim being made in the future, as an extension may not be available or special terms may be imposed.

You cannot extend cover:

- for any pre-existing medical condition that was not declared, approved and purchased on your original policy. This exclusion does not apply for conditions automatically covered within the specified criteria listed under Conditions we automatically cover on pages 4-5
- for any condition that you were required to seek medical or dental treatment for during the term of your original policy or previous extensions
- where you have not advised us of any circumstance that has given (or may give) rise to a claim under your original policy or previous extensions
- if at the time of the extension you are aged 70 years or over, or
- under the Annual Multi-Trip Plan.

How to cancel your policy

We provide a cooling-off period that lets you cancel your insurance for a full refund within 21 days of us issuing your policy to you. However, your cooling-off period no longer applies once you commence your travel, or make a claim within this time.

If you cancel your policy after the cooling-off period, we will refund the amount you paid, less the cost relating to cover for any used period of insurance and less an administration fee of \$25. However, no refund will apply after the cooling-off period if you have submitted a claim or if you have purchased the Cancellation Plan.

If you cancel your policy after the travel date noted on your Certificate of Insurance has passed, we will require written proof of the cancellation or shortening of the trip.

Your Premium

The total costs of taking out your cover will comprise the premium and compulsory Government charges, including stamp duty and any applicable levies.

1. How we calculate your premium

To calculate your premium, we take several factors into consideration including:

- where you are travelling
- the length of your trip
- the number of travellers and their ages, and
- the Plan you select.

Your premium will be shown on your Certificate of Insurance. Other factors that influence your premium are:

- pre-existing medical conditions
- any optional cover you select (these will increase your base premium)
- minimum premium requirements, which may be subject to discounts but any discounts only apply to the extent any minimum premium is not reached, and
- excesses that apply.

Other commercial factors may affect the premium you pay, including costs associated with doing business.

2. How to pay your premium

You must pay your premium in one lump sum and we must receive your payment before you commence any travel. If we do not receive your payment before the start date of your period of insurance, you will not be insured.

We may cancel your policy if you do not pay your premium by the due date specified on your Certificate of Insurance, or your cheque or credit card is dishonoured by your financial institution.

What happens if you don't pay on time

When you take out insurance, you need to pay your premium by the due date specified on your schedule. If your premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, we will:

- cancel your policy for non-payment, and
- refuse to pay any claim for an incident occurring after the cancellation date.

If you need to make a claim when your policy is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows, we can reduce the settlement payment by the overdue amount.

Your excess

If you make a claim, the excess is what you are required to contribute to the claim.

We will tell you:

- if an excess applies to your claim
- how much that excess is, and
- how we will collect this from you.

If we request you pay the excess, we will tell you who to pay and may require the payment as part of the finalisation of the claim.

3. Intermediary remuneration

Insurance Australia Limited trading as CGU Insurance pays remuneration to insurance intermediaries when we issue, renew or vary a policy the intermediary has arranged or referred to us. The type and amount of remuneration varies and may include commission and other payments. If you require more information about remuneration we may pay your intermediary, you should ask your intermediary.

4. Interest on unallocated premium

If we are unable to issue your insurance when we receive your application, we are required to hold your premium in a trust account on your behalf until your insurance can be issued. We will retain any interest payable by our bank to meet, among other things, bank fees and other bank costs we incur in operating the account.

Providing us with the information we need helps us to make timely and accurate decisions about your claim. When you contact us, we will let you know what you need to do and how the process will work. We will not be able to assess your claim unless you provide us with all the information we require. We can reduce your claim by the amount of any prejudice we have suffered due to any delay by you in submitting the required information.

For all claims, we require evidence of the insured event you are claiming for, including and not limited to receipts, reports, proof of ownership and bank or credit card statements.

We will only request information or documents that are relevant to your claim and we will tell you why they are needed.

Any costs or expenses associated with obtaining these reports will be at your own cost.

If you cannot provide supporting documents for your claim, then we may reduce or refuse to pay your claim.

We may also refuse to pay a claim under this policy if you do not observe any of the conditions of this policy. How we Settle your Claim

Claims are payable in Australian dollars

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. All conversions will be calculated using the Oanda rate at the time you incurred the expense. Alternatively, you can provide a copy of your credit card statement to show the conversion rate used by your bank for the expense.

Claims processing

To assess your claim, you will need to provide us with all the necessary supporting documentation. If we need any additional information, a request will be sent to you.

If you can claim from anyone else

If you can make a claim against someone else in relation to a loss or expense covered under this policy, you must do so first. If they do not pay the full amount of your claim, we will only make up the difference up to the policy limit.

If you need to pay an excess

If an excess applies to your policy, it will apply to each separate incident and will be deducted from your claim.

If we agree to settle your claim

The maximum amount we will pay for all claims in total under each section of the policy for the plan you have selected is shown under the Table of Benefits (page 3) and The Cover (pages 9-24).

Where we make a payment under this policy for acquisition of goods, services, supply or compensation, we will reduce the payment by deducting any input tax credit you are entitled to under A New Tax System (Goods and Services Tax) Act 1999.

If we agree to settle your luggage claim

We will:

- repair the luggage
- replace the luggage with nearest equivalent new luggage, or
- pay you the cost of repair or replacement of the luggage.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

We will not pay more than the original purchase price of any item and we will reduce the amount we pay by any amount we pay you under Section 3C Luggage Delay, if you make a claim for both lost luggage and Luggage Delay from the same incident. If you have purchased optional specified item cover, we will not pay more than the nominated value and you must provide a receipt or valuation dated prior to your departure date.

If we agree to settle your luggage claim any salvage becomes our property.

If we agree to settle your cancellation claim and you have used frequent flyer points or a similar scheme to purchase your ticket

We will:

- obtain the cost of an equivalent class airline ticket based on the quoted retail price at the time we assess the claim
- less your financial contribution
- then multiply this figure by the total number of points lost, and
- divide by the total number of points used to obtain your original ticket.

Subrogation

If you are aware of any third party that you or we may recover money from, you must let us know.

We may, at our discretion and subject to applicable law, undertake in your name and on your behalf, control and settle proceedings for our own benefit to recover compensation or secure indemnity from any party in respect of anything covered by this policy.

You are to assist as required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled to or subrogated upon us under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss.

We will only request assistance or cooperation that is relevant to our pursuit of any recovery action or securing indemnity, and provide an explanation as to why it is needed.

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. to us, our costs (administration and legal) arising from recovery
2. to us, an amount equal to the amount that we paid to you under your policy
3. to you, your uninsured loss (less excess)
4. to you, your excess.

If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

Fraud

We will not pay if your claim is fraudulent.

GST

How GST affects your claim

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

How to Resolve a Complaint or Dispute

1. Talk to us first

If you have a complaint, the first thing you or your insurance adviser should do is speak to a staff member in the area concerned. If your complaint relates specifically to a claim, speak with the claims officer managing your claim.

See **back cover** for contact details ►

If the staff member or claims officer are unable to resolve the matter for you, you or your insurance adviser may speak to a manager. If you are not satisfied with the decision you can go to step 2.

2. Seek a review

If the matter is still not resolved, the manager will refer you or your insurance adviser to the relevant internal dispute resolution area who will conduct a review of your dispute.

If you are still not satisfied with the decision, you can go to step 3.

3. Seek an external review

If an issue has not been resolved to your satisfaction, you can lodge a complaint with the Australian Financial Complaints Authority, or AFCA. AFCA provides fair and independent financial services complaint resolution that is free to consumers.
